New rate discounts for 2025

This year, VCE's Board of Directors voted to increase the discounts we offer every VCE customer! As of January 1, our customers are seeing a 5% discount on their bills. Low-income and medically vulnerable customers who qualify for CARE, FERA, and Medical Baseline Allowance will see 10% monthly discounts. Tell your friends who aren't signed up for VCE—they could be saving money on their electric bills by making the switch!

Buying an appliance? Call VCE's Electric Advisors

Before you head to the store, give our Electric Advisors a call at 855-699-8232. Our free service will help you find energy-efficient replacements for your home and budget, connect you with qualified local contractors—and identify incentives and rebates to help cover the cost.

VCE is a CCA. What does that mean?

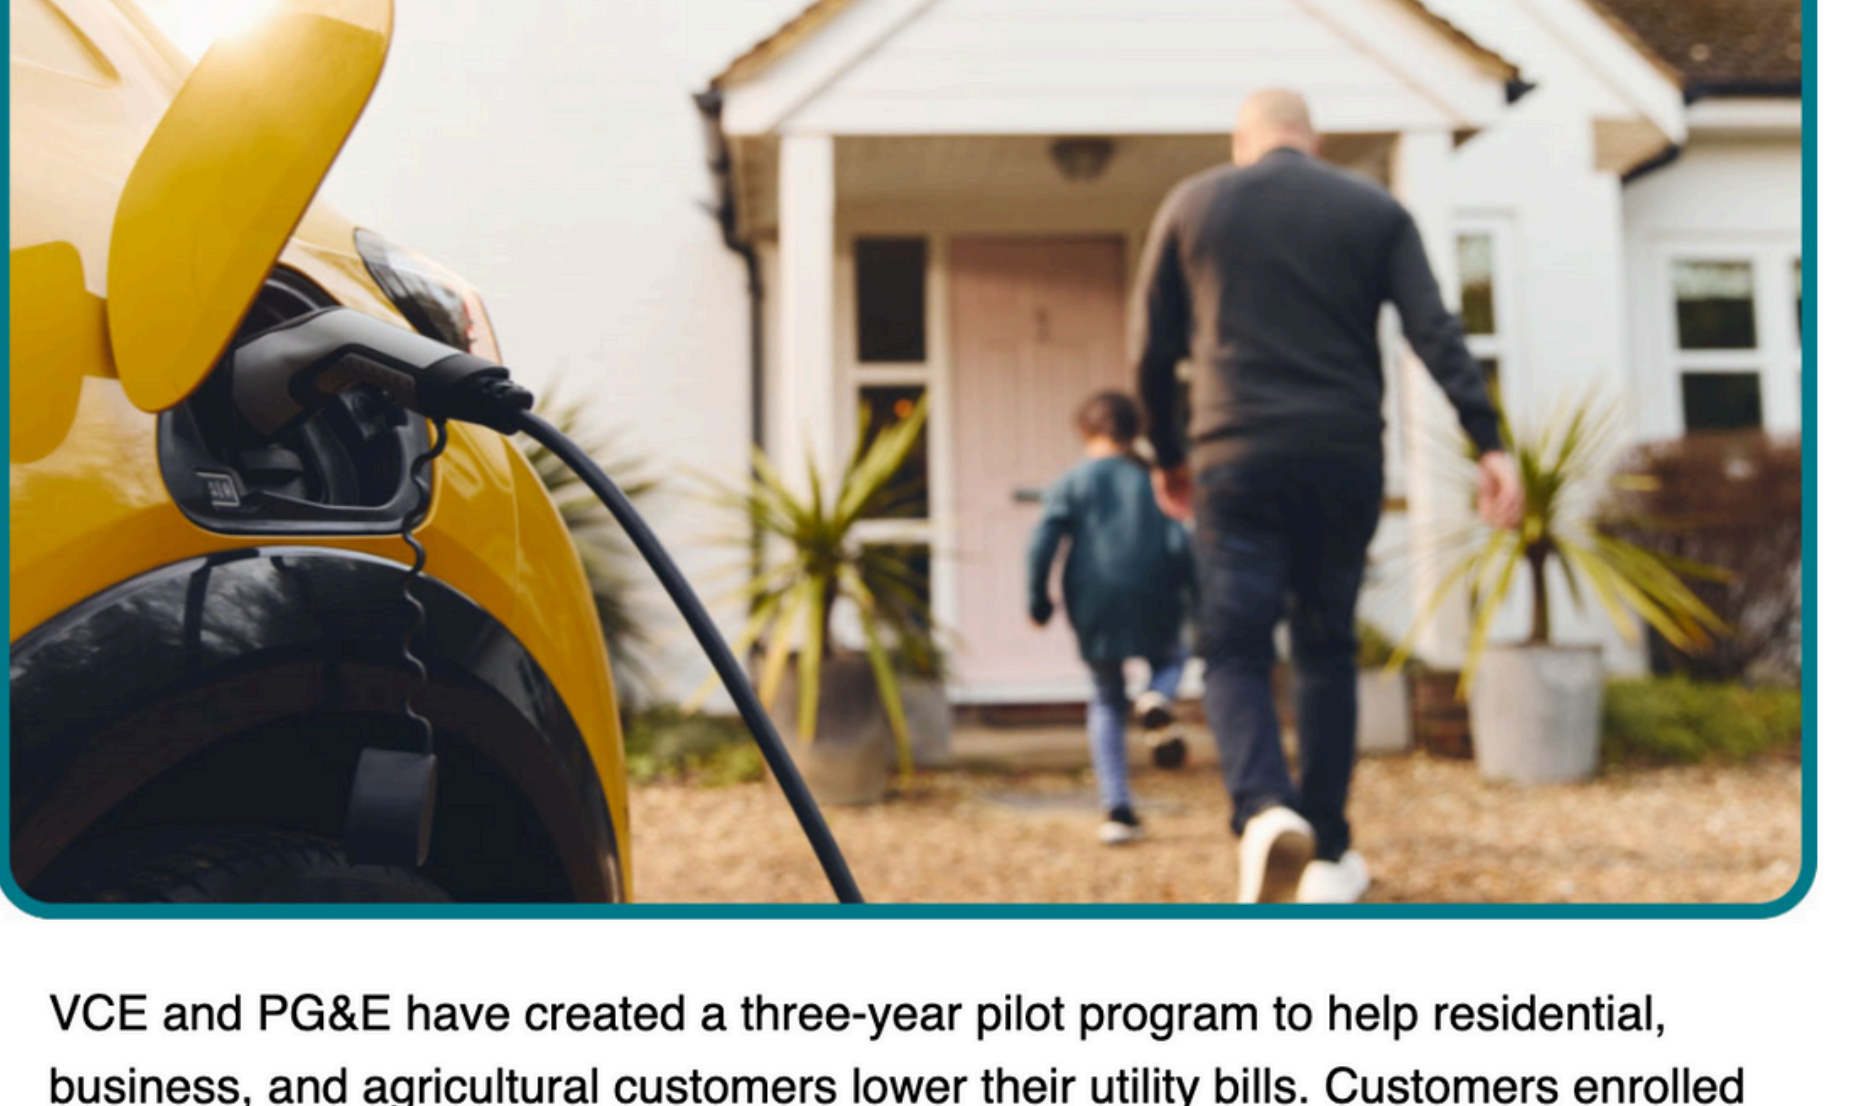

VCE is one of 25 Community Choice Aggregators (CCAs) in California. CCAs are not-for-profit power agencies that produce and/or purchase clean electricity throughout our state serving over 14 million Californians. Together, we're adding 18,000 megawatts of renewable energy to the state's electric grid, and we're investing our proceeds back into our communities instead of some shareholder's bank account. See where your power comes from below!

Save money by enrolling in Hourly Flex Pricing

VCE and PG&E have created a three-year pilot program to help residential, business, and agricultural customers lower their utility bills. Customers enrolled in the Hourly Flex Pricing pilot will learn the next day's hourly electrical rates beforehand. That way, you can set your EV charger and appliances to run when rates are lower.

Give us a review on Google!

Have you reached out to VCE for an EV incentive or help finding an appliance? Do you share our commitment to clean energy? Or do you just appreciate the fact that you're supporting a local not-for-profit power agency while saving money on your electric bill? If so, take a few minutes to share your story by leaving VCE a review on Google! Thanks a million for your support.

What We're Up To

California Honey Festival

On May 3, 2025, downtown Woodland will fill with the buzz of families celebrating our local bees and the delicious honey they produce! Join us from 10 a.m. - 7 p.m. to eat sweet treats, watch cooking demos, and meet your neighbors.

Celebrate Davis

Do you love celebrating Davis as much as we do? Meet us at Community Park on Saturday, May 16, 2025, for a day of live music, food stands, family-friendly games, and connections with local organizations (like VCE!).
