Receive Staff Update

a. Multi-service RFP selection update
M. Sears: Interviews completed for Tech/Energy Services, Outreach and Data/Call Center categories. Staff to bring recommendations to Board, action on consultant team in June.
R. Davis: Request list of options for Board to use in reviewing vendors to help make selections based on Board policy choices.
M. Sears: Staff will provide more direction, recommendations.

b. Banking and credit services update
Regina Espinoza: RFP closed April 27, 2017. We will convene panel to review the three RFPs received. Staff will have recommendations for the Board in July.
Board member comments:
- Consider line of credit from participating member as suggested earlier by Mr. Williams
- Interested in more participation by City of Davis in review process

Staff response:
- Other CCAs have not used this option because market rates from third-party lenders have been good
- We will consider line of credit from participating member as we review RFPs
- City of Davis, Yolo County will be engaged in financial and legal evaluation of RFPs
- Municipal financing will have bearing on costs of other services. RFPs represent bundled services; removing credit piece would affect cost of other services.

c. Community outreach/website update
M. Sears: Per Board’s direction to staff to develop VCEA’s message for community consumption, we have signed a short-term interim contract with Floyd Communications. Will be updating, improving website.
Board / staff comments:
- Interested in a separate website; would make VCEA more searchable
- There is no separate website yet; we are using a webpage in the City of Davis website. There will be more message development and information on this webpage
- Domain names have been procured

d. Summer meeting schedule
M. Sears: Anticipating work ahead, staff is considering increasing number of meetings to two per month during summer to allow more discussion of implementation plan to be submitted to CPUC for review. Will add fourth Tuesday meetings as “on-call” meetings.
Shawn Marshall: Timing depends on other items in the process, such as when CEO starts work.
M. Sears: We’ll address calendar and scheduling issues and send out revised schedule.

e. YCPARMIA Insurance Update
M. Sears: YCPARMIA has waived the application fee. Staff will report out about their decision regarding coverage at your June meeting.

M. Sears updated Board on status of Woodland’s request to join VCEA and outlined the recommended conditions of membership and the process of approval.
Next steps would be:
• Acceptance of Woodland’s request by VCEA Board
• Adoption of CCE Ordinance and JPA Resolution by City of Woodland prior to June VCEA meeting
• City of Davis and Yolo County will consider membership request
• Waive 45-day review period
• VCEA Board action in June allowing Woodland to participate in implementation Plan development

Impact analysis of Woodland’s joining VCEA indicates that supply cost will increase slightly, but headroom (difference between money that is available and money that is required for expenses) would increase significantly.

Roberta Childers, City of Woodland: Woodland City Council was unanimously very enthusiastic about moving forward with this. Currently there is no third member lined up yet to serve on the VCEA Advisory Committee. Request that two current ex officio members be made regular members.

L. Frerichs moved, seconded by R. Davis to accept staff recommendations as follows:
1. Accept the City of Woodland’s request to join VCEA and forward notice of the request to the Yolo County Board of Supervisors and the Davis City Council.
2. Request that the Board of Supervisors and Davis City Council waive their 45-day review period to allow Woodland to join VCEA prior to the development of the VCEA Implementation Plan.
3. Approve new membership requirements for the City of Woodland.
according to the following conditions:
   a. Adopt a resolution to execute the JPA Agreement of VCEA
   b. City of Woodland adopt a CCE Ordinance
   c. City of Woodland make a financial contribution equal to that of Yolo County and the City of Davis in the amount of $500,000 to cover its share of Agency and program implementation costs.
   d. City of Woodland is requested to designate a staff lead on CCE and continue its public outreach efforts
   e. Appoint two City Council members to serve on the VCEA Board of Directors
   f. Appoint the two current ex officio community members (Tom Flynn, Christine Shewmaker) to serve on the VCEA Advisory Committee as regular members, and appoint a third member as soon as possible

4. Schedule action on the City of Woodland request for the June 13, 2017 VCEA Board meeting.
   Motion passed by the following vote:
   Ayes:  Davis, Frerichs, Saylor
   Noes:  None
   Absent:  D. Chamberlain
