Recommendation to the Board on Adoption of an Enterprise Risk Management Policy for VCE  
Staff recommends the Board adopt a resolution approving the draft Enterprise Risk Management Policy.

The draft Enterprise Risk Management Policy was revised for clarity following the CAC and Board review in February. The updated version, contains two new sections: Business Practices and Management Reporting and Metrics.

- Introduction: This section introduces the value of ERM as a structured approach to managing risk and uncertainty. It lays out the objectives of VCEA’s ERM function, providing the framework for evaluating and managing risk in the organization’s decision-making process.
- ERM Roles and Responsibilities: The ERM roles are consistent with the Board-approved Wholesale Power Procurement & Risk Management Policy. The Enterprise Risk Oversight Committee (EROC) has primary responsibility for the implementation of ERM. The policy lays out the
scope of the EROC’s risk management authority.

- **Business Practices:** This section identifies the steps of risk management and the basic process associated with each step. The intent is to provide a high-level framework.
- **Specific tools and techniques for implementing enterprise risk management will be recommended by the portfolio manager following approval of the policy.**
- **Management Reporting and Metrics:** The policy defines two enterprise risk reports that will be provided on a regular basis: a semi-annual report to the EROC and annual report to the Board.

On March 12, the CAC provided feedback on the policy document and unanimously recommended Board adoption of the Enterprise Risk Management policy.

Board questions and staff responses are summarized below:

- The thinking behind this policy is very clearly articulated in the slide presentation. Recommend appending the slides to the policy so that future board members are aware of the thinking behind the policy.

**Recommendation to the Board on Adoption of the VCE UltraGreen Policy/Rate for the 100% Renewable Energy Customer Option**

Gary Lawson, Manager, Energy Commodity Contracts, SMUD

The “UltraGreen” product will provide customers with 100% renewable energy. Staff determined that a flat fee was inequitable and that a volumetric charge was most fair to the customers. Staff proposed $0.015/kilowatt hour. This price puts VCE in the range of similar products offered by other CCAs. NEM customers charges would be assessed UltraGreen premium only on their net energy usage.

Staff expects 3-5% of VCE customers will choose to enroll in the “UltraGreen” 100% Renewable Energy program. The program will generate a fund of $200-$300k/year that will be allocated to pursue local energy generation.

Staff is recommending the Board adopt a resolution establishing a voluntary 100% renewable program that:

- Charges an additional $0.015/kWh for both residential and commercial customers
- Is sourced with a mix of PCC-1 and PCC-2 resources equivalent to VCEA’s overall renewable portfolio
- Uses any excess net revenue to fund local renewable projects
- Is Green-e certified

Board questions and staff responses are summarized below:

- When Green-e conducts an annual audit, will the results be shared with customers?

  Green-e does not share those results automatically. VCE will want to promote this certification.

- How can CCAs offer a 100% wind program if the wind is not always blowing?

  CCA programs look at the energy consumed across a whole year, and that much energy is generated by their wind program. It is not tied to time of usage.

- How would the 1.5 cents/ kWh surcharge apply to the different rates?

  It will be applied to all customers based on their usage.

- How was this cost developed?

  The cost was developed by considering the underlying costs of procuring additional renewables.

- But it also generates reserves. Did we have a target for those reserves or did it just happen?

  Staff sought to keep the program cost based. The higher the charge, the less attractive the program will be. Another consideration was the cost of PG&E’s 100% Solar product.

- How will the marketing and outreach work for the 100% Renewable Program?

  It will be an option on website, included in the presentations, and will be included in the first notice. The marketing for this specific program can be augmented as VCE moves forward.

- Is there any projections for how many numbers of customers we can expect to opt up?

  Based on similar programs in other CCA’s, we are projecting 3-5% for the first year.

- In the future, how would VCE cover marketing costs for this program?
The excess revenues could be used for both marketing and local energy generation programs.

- How does the proposed NEM treatment -- in which NEM customers who choose to opt up to UltraGreen would have charges assessed UltraGreen premium only on their net energy usage -- compare to other CCAs?

It is fairly common.

- Does the annual cost for the Green-E certification vary based on the size of the organization?

No, it is a fixed cost.

- Are SMUD’s program Green-E certified?

Yes, SMUD’s renewable programs are Green-E certified.

- There is no cap on how many customers can enroll in this program. What would happen if the enrollment was 10% rather than 3-5%. Would we run into difficulties covering renewables for these customers?

No. VCE would just procure additional renewable energy.

Board Discussion

R Davis moved, seconded by D. Saylor, to approve staff recommendation. Motion passed by the following vote:

AYES: Barajas, Chamberlain, Davis, Frerichs, Saylor, Stallard
NOES: None
ABSENT: None

Gary Lawson, Manager, Energy Commodity Contracts, SMUD

The VCE board initially set a policy of a 2% generation rate discount, which allowed us to achieve our goal for a 90-day operating cost reserve fund fairly quickly. However, PG&E increased their generation rate on March 1.

Under this new situation, a 4% discount would allow us to maintain our original projections in developing a reserve. However, since adopting this initial policy, VCE has proceeded in procuring a bank loan with a rolling line of credit. River City Bank insists on being repaid before the municipalities. This means that the repayment of each municipality’s loan of $500,000 will be delayed.

VCE needs to be cautious of the debt service coverage ratio. The debt service coverage ratio (DSCR) has a minimum of 1.25. A 4% discount would move VCE’s
DSCR to 1.8. In addition, we do not know how PG&E rates might shift in the future, and PCIA is also a large variable.

However, another balancing point is that the opt-out rate will likely be lower if the discount rate is higher.

Staff is recommending that the Board adopt a resolution establishing the following:

- VCEA rates, included as Attachment 1, which are set at a 2% discount from PG&E’s generation rates placed into effect March 1, 2018, net of PCIA and Franchise Fees.
- A Power Mix of 42% renewable, 75% clean for the default product.
- Administrative authority for VCEA staff to consolidate the Operating budget and the Implementation budget and direction to return to the Board for approval of a consolidated 2017-18 budget.
- A Delegation of Authority to the Interim General Manager to put in place new comparable rates schedules for any new rate schedules that PG&E may put in place at a level of 2% below PG&E’s generation rate for such new tariff, net of PCIA and Franchise Fees.

Board questions and staff responses are summarized below:

- Is the difference between 2% and 3% enough to make customers not opt-out?

  Staff does not have data on what the impacts of increasing the discount 1% might be on customer choices. Shawn Marshall, LEAN Energy has shared anecdotally that with MCE the difference between 1-2-3-4% did not make a significant change in the customer opt out rate. San Mateo’s CCA developed their projections based on a 15% opt out rate. They are seeing only a 2% opt out.

- When will the VCE Board be setting 2019 rates?

  Staff plans to bring forward the 2019 rates for board approval in November or December 2018.

- The rate that we set for launch will only be in place for six months?

  Correct. The VCE board can adjust the rates when they choose. Staff suggests that the rates be set annually.

Board comments are summarized below:

- In the future, the board requests that staff please print the presentations in color.
- VCE would like to pay down the debt, and repay the founding municipalities, as swiftly as possible.
- At this juncture, VCE needs to be overly cautious and build reserves.
I will advocate for increasing the discount. 2% is underwhelming for our customers who we are trying to attract and energize.

Our customers are all automatically enrolled, unless they opt out. There’s no guarantee that 3 or 4% generates enthusiasm.

I wonder why a customer would give up a 2% discount, just because it’s not a larger discount. Turning down a small savings seems unlikely.

I would rather pass the savings directly to our rate payers rather than to future VCE decision-makers.

The value of VCE is not just lower rates. It is also about local control and increasing renewables. We want rates to be lower, but I don’t want VCE to pay interest on the debt.

It is important to remember that this discount only applies to the energy generation cost. For my bill, that is only about 40% of my bill. A 2% discount on 40% of my bill is insignificant.

Increasing the discount is one of the most effective ways to distinguish VCE from PG&E.

Sustaining the current rate of 2% sends a good signal to the bank and our founding municipalities that we are serious about repaying our loans.

We are trying to balance different values – we want to move more quickly to enable local programming, we want to build our reserve, and we want to minimize our opt-out rate. I appreciate the conversation.

Public Comment

Christine Shewmaker.
Appreciated the board’s discussion of balancing building reserves, paying down debt, increasing rate discounts for customers, and building local programs.
Suggested the board wait six months and then either increase discount or increase the level of renewable energy in the default rate.

The board chose to take up the first bullet point of the staff recommendation first, and then consider the rest of the staff recommendation.

D. Saylor moved, seconded by A. Barajas, that VCE increase the discount to a 3% discount from PG&E’s generation rates.

T. Stallard made a substitute motion, seconded by L. Frerichs, that VCE remain at a 2% discount from PG&E’s generation rates.

AYES: Barajas, Davis, Frerichs, Saylor, Stallard
NOES: Saylor, Chamberlain
ABSENT: None

Per section 3.7 of VCE Joint Exercise of Powers Agreement, the motion fails.
Due to the requirement that board action shall require the affirmative vote of at least one director appointed by each member jurisdiction.

D. Saylor moved, seconded by L. Frerichs, that VCE increase the discount to a 2.5% discount from PG&E’s generation rates.
AYES: Barajas, Chamberlain, Davis, Frerichs, Saylor, Stallard

The board requested an informational item be placed on the agenda for the next meeting on the possibility of VCE engaging with local, small energy providers.

Integrated Resource Plan – Introduction and Schedule

Olof Bystrom, Manager, Energy Research and Development, SMUD

The Integrated Resource Plan (IRP) is a long-term plan which will help set VCE’s future energy procurement strategies. The plan will be returning to the board several times over the next six months for review, input and eventual approval in June.

In February, the CPUC has adopted a process that requires all load-serving entities under their jurisdiction to adopt an IRP. The IRPs are due in August 2018. This process will be about 1-year shorter than these planning processes usually take, so VCE will to build in flexibility.

Key Dates for Integrated Resource Plan (IRP) Process
• February 8 – CPUC IRP Decision
• June 1 – CCA go-live
• July – VCEA Board Approves IRP
• August 1 – VCEA Submits IRP to CPUC

Key Issues for VCEA
• Articulates the long term Vision/Mission/Objectives and Action Plan with respect to
  • Resource mix
  • Local sources
  • Battery storage
  • Demand-side programs (EV, EE DR, etc.)
  • Costs / Rates
  • GHG targets

• Regulatory Compliance
• Approval and public stakeholder review process
• Retaining operational and strategic flexibility

CPUC-Required IRP Features (per February 2018 adoption by CPUC)
• Covers 2018-2030
• Must include at least one conforming portfolio based on 2017 IEPR Mid Demand Case
• 1-3 year action plan
• Report on GHG emissions of portfolio
• Methodology explanation
• Demonstrate compliance with PUC 454.52(a)(1), i.e. GHG, RPS, Just and reasonable rates, minimize ratepayer bills, reliability, diversity and sustainability, local pollution, distribution systems

Proposed IRP Milestones
• April – CAC meeting to review and discuss resource options and preferences
• End of May – Draft IRP Report
• June Board Meeting – discussion and feedback on draft IRP
• July – Board Approves IRP
• August 1 – VCEA Submits IRP to CPUC

The Community Advisory Committee (CAC) will be holding a workshop on April 26, 2018 to begin developing the IRP. The board will review, discuss and offer feedback on the draft IRP at their June meeting. VCE will need to file an IRP every two years.

Board Comments

• This is the type of planning discussions that the board has been talking about having.
• This is a compliance document, but we have the opportunity to use it to identify what the key policy decisions will be.
• It will be interesting and exciting to get into the some of the long term questions.

Gerry Braun, Chair, Community Advisory Committee (CAC)
The Chair and Vice Chair of the CAC will meet early next week with the VCE Board Chair and Vice Chair and the Interim General Manager for a check-in meeting. The CAC charge was focused on the launch phase. Now we are transitioning to operations phase, so this meeting will help clarify how the CAC can be most helpful in this next phase.

The CAC is looking forward to the IRP workshop and the IRP development process.

Mitch Sears, Interim General Manager
• Staff recruitment: We are in the interview process for the outreach specialist. We hope to make an offer next week or the week after. We have gone thru initial screening for Board/Admin. Making progress on the Assistant General Manager position.
• VCE has fully procured energy for 2018.
Vicky and the SMUD team have worked hard to identify staff who will be serving VCE under the SMUD contract.

- Introduced Lisa Limaco as VCE’s Finance and Operations Director.
- Introduced Chris Cole as VCE’s Key Accounts Representative
- Outreach to the 200 largest energy customers in the VCE service area has begun.
- Chad Rinde will be drafting a subordination agreement to go to each jurisdiction, outlining that the cities and Yolo County will be subordinating their loans until after bank loan is repaid. We anticipate repayment will take place within the five year window that was originally discussed.

Board Member and Staff Announcements

Duane Chamberlain
Please ensure that the first notice letter is clear that the discount is 2.5% off the generation rate, not the full rate.

Lucas Frerichs
Recently attended the Yosemite Policymakers Conference and presented about Valley Clean Energy and the partnership with SMUD. Monterey Community Power have a Community Advisory Committee (CAC) that has been operating on an ad hoc basis. They requested, and we have sent, our CAC charter to them, which they greatly appreciated.

Tom Stallard
Also attended the conference and greatly enjoyed Lucas’ presentation. CCA’s are a wonderful trend statewide. During the last week of February, attended a program at the Teton Science School which is a 100% renewable community. Hopefully VCE can help move us in this direction.

Mitch Sears
Met with Farm Bureau. A letter will be sent out by Farm Bureau to their members, at VCE’s cost, with the details of VCE.

Emily Henderson
Due to schedule conflicts, the VCE board will meet next on Wednesday, April 25. Due to room availability, this meeting will take place at Woodland Council Chambers, 300 First Street, Woodland. Please note that not all board members will be able to attend.

Meeting was adjourned at 7:23pm

To:      Valley Clean Energy Alliance Board of Directors  
From:    Mitch Sears, Interim General Manager  
            Shawn Marshall, LEAN Energy US  
Subject:  Regulatory & Legislative Update  
Date:    April 25, 2018  

RECOMMENDATION:  Receive regulatory and legislative report.  

BACKGROUND & DISCUSSION:  
Participation in CCA regulatory and legislative affairs is a critical aspect of VCEA’s long-term planning, operations, and risk management strategy that will grow in importance as VCEA draws closer to full operations. At present, LEAN Energy is providing regulatory monitoring and reporting on key regulatory issues affecting emergent CCAs. Cal-CCA, a statewide trade association of which VCEA is now a full member, participates in regulatory proceedings and also provides coordinated legislative support in Sacramento. Once the contract with Keyes & Fox, VCEA’s regulatory counsel, commences we anticipate that most or all of the regulatory monitoring and action items will shift to their service contract.  

Regulatory Priorities  
Attached please find LEAN’s most recent regulatory report (dated April 4, 2018) which provides a summary overview and several links to supporting documents regarding key regulatory issues currently before the CPUC. Priority issues discussed in that report include:  
- Resolution E-4907 and Resource Adequacy Rulemaking  
- Joint Utilities’ Petition to modify Code of Conduct (SB 790)  
- PCA Rulemaking (2 tracks)  
- Integrated Resource Planning  
- Time of Use (TOU) Pilots and Applications  
- RPS Procurement Plans  
- Implementation of AB 1110 – Power Source Disclosures  

Legislative Priorities  
Shalini Swaroop, Policy Director at MCE and a member of the Cal-CCA legislative committee, recently reported on 5 bills that are on the Cal-CCA watch list. As of now, CCAs are not sponsoring any legislation in the 2018 session, but will remain engaged in these and other bills.  
- AB 2208 (Aguiar-Curry) – Baseload in RPS  
- SB 1135 (Hertzberg) – New Resource Adequacy Rules  
- AB 2693 (Quirk) – Natural Gas Cost Recovery
• AB 2726 (Levine) – GHG Accounting Mechanisms
• SB 100 (De Leon) – 60% RPS in 2030, 100% Carbon-Free Grid in 2045

Cal-CCA is also actively engaged at the California Energy Commission regarding the implementation of AB 1110 (Ting) – GHG accounting and reporting methodology.

Subject: Regulatory Update #21, March/April 2018

Each month, LEAN focuses on regulatory activities likely to have broad impact on the Community Choice Aggregation (CCA) community and emergent CCA programs. This memo provides an update on key developments at the California Public Utilities Commission (CPUC) and California Energy Commission (CEC) in the past month.¹

CCA-SPECIFIC ACTIVITY

**Final Resolution E-4907**

On December 8, the CPUC issued Draft Resolution E-4907, (DR) proposing a registration and implementation plan process for CCA programs, including requirements on Resource Adequacy (RA) forecasting. The DR would have, in effect, delayed until 2020 the launch of any CCA program that had not submitted an Implementation Plan as of December 8. In response to submitted comments, revisions were made to offer flexibility for CCA programs that wish to serve load in 2019, but had not submitted an Implementation Plan as of December 8, 2017.

**On February 8, the Commission approved Final Resolution E-4907** The Energy Division gave a presentation at the Commission Voting Meeting to explain the purpose, requirements and revisions to Resolution E-4907. In sum, the Resolution requires that all CCA programs meet the same forecasting and contracting process for RA as all other Load Serving Entities (LSEs) prior to serving new customers. Energy Division claims the Resolution serves two major purposes: (1) to ensure that CCA programs are incorporated into the annual RA process when they launch or expand (to help avoid cost-shifting); and (2) to satisfy an outstanding order in D. 05-12-041, which required a process on how to submit implementation plans for CCAs and obtain registration for RA. Energy Division states publication of this process will provide needed clarity to prospective communities about how to submit Implementation Plans and obtain registration.

The Final Resolution grandfathers all CCA programs that submitted implementation plans prior to December 8, 2017. Additionally, the Resolution also includes the Energy Division’s plan to process CCA implementation plans submitted by March 1, 2018, within 45 days (which is half the statutory mandate of 90 days.) For CCAs that weren’t grandfathered under either of these options, and want to serve load in 2019, there is a waiver process with two options:

---

¹ This monthly memo is designed to provide LEAN’s clients with a current snapshot of key regulatory activities related to CCA in order to help them make informed decisions about whether and how to engage in regulatory processes during their program formation and early operations. This monthly report is not a comprehensive inventory of regulatory and statutory requirements impacting operational CCAs. Regulatory and statutory compliance requires a more comprehensive inventory than the subset of activities described herein, and must be tailored to the specific circumstances of each CCA program.
1. The CCA can negotiate with the investor-owned utility (IOU) to buy RA needed to serve their load.
2. If the CCA is not able to buy the RA from the IOU, the CCA can submit a letter to the CPUC, and the RA will be assigned at a CPUC determined price.

**Recent Activity:**

- March 12: The City and County of San Francisco (CCSF) filed an Application for Rehearing (A. 18-03-005).
- March 27: Joint IOUs' Response to CCSF’s Application.

**Petition for Modification of the CCA Code of Conduct**

On January 30, 2018, the Joint Utilities filed a Petition for Modification of CPUC Decision 12-12-036, which adopted the CCA Code of Conduct as required by Senate Bill (SB) 790 (2011). The Joint Utilities request that the CCA Code of Conduct be modified to eliminate the current limitation imposed on utilities to refrain from “lobbying” against CCA programs, which is broadly defined as communicating with public officials or the public for the purpose of convincing a government agency not to participate in or to withdraw from a CCA program. The Joint Utilities claim that the current restriction is inhibiting their ability to provide timely and effective information to local governments on CCA formation decisions. Responses to the Petition for Modification were filed on March 1. (See CalCCA Response, WRCOG-LACCE-DCE Response, Other Responses.)

**Recent Activity:**

- March 12: Reply Comments of Joint IOUs addressing other parties’ responses.

**CPUC REGULATORY CASE DEVELOPMENTS**

**Power Charge Indifference Adjustment (PCIA) Rulemaking Proceeding**

**To Do:**

LEAN is monitoring developments in the PCIA Rulemaking Proceeding.

**Background:**

As previously reported, the topics for consideration in the PCIA rulemaking include:

- Improving the transparency of the existing PCIA process;
- Revising the current PCIA methodology to increase stability and certainty;
- Reviewing specific issues related to inputs and calculations for the current PCIA methodology;
- Considering alternatives to the PCIA;
- Senate Bill (SB) 350 considerations on the treatment of bundled retail customers and departing load customers;
- Status of PCIA exemptions for California Alternate Rate for Energy (CARE) and Medical Baseline (MB) customers.

On September 25, a Scoping Memo established two Tracks of the PCIA Rulemaking proceeding. Track 1 is addressing exemptions from the PCIA for customers participating in the CARE and MB programs (PCIA Exemption). As previously reported, a tentative settlement has been reached with PG&E on phase out of the exemption, while SCE moved forward to briefing as noted below. Track 2 is considering alternatives to the current PCIA methodology, with initial emphasis placed on how to get proper access to PCIA data through a protective order. On January 16-17, PCIA Workshop 2 took place. (See Agenda, Presentations, and Video.) On February 20, Opening Briefs were filed on SCE Track 1 Issues. (See: SCE, CCEA, CforAT, ORA, LACCE/DCE/WRCOG). On March 2, an Amended Scoping Memo was issued.
Recent Activity:

Track 1 – PCIA Exemption

- March 13: Reply Briefs on Track 1 issues for SCE. (See Reply Brief Folder.)
- March 28: PG&E filed a Motion seeking approval of a settlement agreement regarding the PCIA Exemption.
  - PCIA Exemption will apply to CCA customers that receive service prior to the date PG&E first starts phasing-out the PCIA Exemption (probably 2019).
  - Phase-out will occur over a 4-year period in equally increments (e.g., 25% PCIA in 2020, 50% PCIA in 2021, 75% PCIA in 2022, and 100% PCIA in 2023).

Track 2 – PCIA Successor

- April 2: Direct Testimony: [CalCCA Testimony and Joint IOUs]. (See Combined Folder of all Testimony.)
  - CalCCA Press Release; CalCCA Testimony Fact Sheet.

Next Steps:

- April 23: Concurrent rebuttal testimony served.
- May 7-11: Evidentiary Hearings.
- June 1: Concurrent Opening Briefs/ Request for Final Oral Argument Filed and Served.
- June 15: Concurrent Reply Briefs.
- Late July 2018: Proposed Decision mailed for comment.

Integrated Resource Planning (IRP)

To Do:

LEAN is monitoring this proceeding and considering forming a working group to address CCA IRP issues.

Background:

This rulemaking proceeding addressed the new IRP requirements associated with SB 350, as well as long-term procurement planning (LTPP) policies. On May 16, the Energy Division issued their proposal on the IRP planning process. As previously reported, the Energy Division proposed a prescriptive approach, with significant requirements on Community Choice Aggregators serving 700 GWh or more per year in electric load; Community Choice Aggregators serving less than 700 GWh per year will be subjected to fewer requirements.

On September 19, a Ruling was issued distributing a proposed Reference System Plan (RSP) (See Summary of Ruling). On September 25-26, a workshop took place providing preliminary feedback on the Proposed RSP of the IRP process (See Agenda/Presentation, and Summary.) On October 26, Opening Comments were filed on the Proposed RSP (CalCCA comments, General Summary and Question Summary). On November 2, there was an all-Party meeting on the proposed IRP process and RSP (See Presentation and Summary). On November 9, parties filed Reply comments on the Proposed RSP (CalCCA Reply Comments and Summary of all Reply Comments).

On December 28, Assigned Commissioner (Randolph) issued a Proposed Decision (PD) setting requirements for CCA programs and other LSEs’ IRPs and adopting a two-year planning cycle for the CPUC to consider IRP filings. (See Initial Summary and Recommendation.) As written, the PD minimized the role of local CCA governing boards in approving IRPs and elevated the CPUC’s role over such IRPs. On January 17, Parties filed Opening Comments on the PD (CalCCA, SCE and Folder of all Opening Comments.) On January 22, Parties filed Reply Comments on the PD (CalCCA comments).
On February 8, the CPUC approved D.18-02-018 (see Redline PD). Of note, the decision moves the first IRP submittal date from June 1 to August 1, 2018. The decision also acknowledges a certain degree of distinction and separation between the CPUC and local governing boards, but does not go as far as CalCCA had requested. The decision also clarified that any CCA that has an approved implementation plan as of the scheduled IRP filing date should be required to file an IRP, even if it is not yet serving load. The decision maintained the “Alternative” Plan approach for CCAS serving less than 700 GWh per year in load, but added a number of additional requirements for these IRP submittals (see D.18-02-018 at 135).

On February 28, several parties (including PG&E and Natural Resources Defense Council) jointly filed a Petition for Modification seeking to modify D.18-02-018 to authorize greenhouse gas-free procurement to replace Diablo Canyon.

Recent Activity:

- March 30: Response of CalCCA asking that the Petition for Modification be rejected. (See Other Parties’ Responses)

Next Steps:

- August 1: IRP filings by individual CCAs.

CCA Bond Requirements

To Do:

LEAN will continue to monitor this proceeding.

Background:

This rulemaking proceeding was originally opened in 2003 to implement the CCA enabling statute (Assembly Bill (AB) 117). However, this rulemaking proceeding is now simply focused on the methodology for setting the CCA Bond, which is intended to cover the costs of involuntary re-entry fees of CCA customers to bundled IOU service. Opening testimony was submitted on July 28. (See CalCCA Testimony and CalCCA Appendices to Testimony; Marin Clean Energy (MCE) Opening Testimony and MCE Appendices; Joint Utilities Testimony). The Joint Utilities served rebuttal testimony on August 25. CalCCA also served rebuttal testimony on August 25. On September 18, CalCCA and Joint Utilities provided comments noting that evidentiary hearings are necessary. Opening Briefs were filed on November 6 (Joint IOUs and CalCCA) and Reply Briefs were filed on November 20. (Joint IOUs and CalCCA).

Recent Activity:

- March 15: East Bay Community Energy filed a Motion for Party Status.

Next Steps:

- Issuance of a Proposed Decision is expected in first quarter 2018.

Resource Adequacy (RA) Rulemaking

To Do:

LEAN will monitor developments in this RA Rulemaking Proceeding.
**Background:**

The CPUC regularly considers RA-related matters in a rulemaking proceeding. This proceeding was instituted in September 2017, and on January 18, 2018, a Scoping Memo was issued. Among other things, RA-related issues associated with CCA load migration will be addressed in a decision by June 1, 2018.

On January 30, parties filed comments on the Scoping Memo (see comments of CCA Parties, PG&E, LACCE/DCE/WROCOG, and CAISO). On February 16, RA proposals were filed (See Energy Division, CCA Parties, SCE, PG&E and Folder of all Proposals.) A workshop to discuss these proposals took place on February 22-23. (See Agenda, ED Presentation and Email Ruling noting issues for comment.)

**Recent Activity:**

- March 7: Comments of CCA Parties’, PG&E, and SCE on Track 1 Proposals and Workshop. (See Folder with all).
- March 16: Reply Comments of CCA Parties’, PG&E, and SCE. (See Folder with all reply comments).

**Next Steps:**

- May 2018: Proposed Decision on Track 1 Proposals.
- June 2018: Final Decision on Track 1 Proposals.

**Residential Rates, Default Time of Use (TOU), and Marketing Education and Outreach (ME&O)**

**To Do:**

LEAN will monitor developments in the Residential Rate Rulemaking and Rate Design Window Applications.

**Residential Rate TOU-Pilots**

On June 28, a Draft Resolution was issued on PG&E’s Pilot Residential Rate TOU program. MCE and SCP are the only CCAs participating in PG&E’s Pilot TOU program; all other CCAs are excluded from participation. On July 31, MCE and SCP submitted comments on the Draft Resolution, expressing concern about PG&E’s lack of progress in providing a comparable bill-comparison tool for CCA customers. On August 10, a Final Resolution approved PG&E’s Residential Rate TOU Pilot program. The resolution clarified that PG&E may recover costs necessary to provide CCA customers with rate comparisons for the default pilot entirely through distribution rates. However, the resolution declined to provide any direction regarding the appropriate method or cost recovery for creating a long term rate comparison tool solution for CCA customers. This issue is expected to be addressed in the consolidated Rate Design Window proceeding (addressed below).

**Residential Default TOU-ME&O**

On September 26, the CPUC submitted Draft Resolution E-4882 addressing PG&E’s ME&O on Residential Default TOU Rates. On October 30, CCA parties (MCE, SCP and SVCE) submitted a response to the Draft Resolution, arguing that CCA representatives should be involved in the development of marketing material. On December 14, the Commission approved PG&E’s ME&O plan with Final Resolution E-4882, which now recognizes the need for coordination with CCAs in ME&O efforts.
On December 14, a final decision (D.17-12-023) was issued in the residential rate rulemaking on statewide ME&O. This decision expands the existing Energy Upgrade California campaign and permits IOUs to switch customers to TOU rates in waves. (See Redlined Version.)

On January 5, the Commission issued Draft Resolution 4895, approving SCE’s ME&O Plan for Residential Default TOU Rates; CCEA submitted Comments on the DR. On February 8, the Commission approved Final Resolution E-4895. The resolution requires SCE to file a Tier 2 advice letter to provide a proposal describing how it intends to engage with CCAs in its service territory regarding the development of default TOU ME&O materials.

Default TOU- IOU Applications

On December 20, PG&E filed its Rate Design Window (Default TOU) Application (PG&E Application and Testimony). On December 21, SCE filed its Rate Design Window (Default TOU) Application (SCE Application and Testimony). On January 22, parties filed Protests/Responses to the applications. (See CCA Parties’ Protest to PG&E and East Bay Community Energy Response to PG&E; see CCEA Protest to SCE). On January 25, ALJ Tsen issued a Ruling consolidating the three IOU Rate Design Window applications (PG&E - A.17-12-011, SCE - A.17-12-012, SDG&E - A.17-12-013). On February 14, a joint Prehearing Conference Statement was filed, and a Prehearing Conference was held on February 21. On February 23, the CCA Parties’ and CCEA filed a Supplemental Prehearing Conference Statement, further arguing that the issue of cost allocation is within the scope of the proceeding. On March 1, a Scoping Memo was issued for Phase 1 (which will address SCE’s and PG&E’s requests to delay roll-out until late-2020).

Recent Activity:

- March 12: Opening Comments on Phase 1 regarding timing for roll-out (PG&E, SCE, SDG&E, ORA, EDF, CFC).
- March 19: Reply Comments on Phase 1 (PG&E, SCE, SDG&E, CforAT, EDF, CCA Parties, UCAN).
  o Most parties support a delayed roll-out of residential Default TOU for PG&E and SCE (October 2020).

Next Steps:

- April 10: ME&O Working Group Meeting to discuss a plan related to the rollout of default TOU rates. (Notice)
- April 20: Expected issuance of Phase 1 Proposed Decision (on timing issues).
- April/May: Issuance of subsequent scoping memo on other (non-timing) issues.

Renewables Portfolio Standard (RPS)-Procurement Plans

To Do:

A final decision was adopted in this proceeding. LEAN will continue to monitor any developments.

Background:

This rulemaking proceeding addresses ongoing oversight of the RPS program, including review of procurement plans and reporting on RPS progress. The following CCA-related RPS Procurement Plans were submitted July 21:

- Apple Valley Choice Energy
- Lancaster Choice Energy (LCE)
- Silicon Valley Clean Energy (SVCE)
- MCE
- Peninsula Clean Energy (PCE)
- Pico Rivera Innovative Municipal Energy (PRIME)
Recent Activity:

- March 2: Valley Clean Energy Alliance filed its 2017 RPS Procurement Plan.

Green Tariff Shared Renewables (Green Tariff or GTSR)

To Do:

LEAN will monitor developments.

Background:

The Green Tariff program was authorized in SB 43 (2013). The program allows the utilities an opportunity to offer optional Green Tariff rates for customers electing to receive a higher level of renewable energy. The CPUC approved the programs in D.15-01-051. In that decision, the CPUC set a termination date of January 1, 2019 and required the utilities to file advice letters to extend the programs. On December 22, PG&E filed AL 5206-E proposing modifications to its Green Tariff program, and SCE filed AL 3722-E, proposing to terminate its Green Tariff program due to low subscription rates. (See PG&E’s 2016 Annual GTSR Report and SCE’s Annual GTSR Progress Report.)

On February 2, protests were filed on IOU advice letters. (SCE AL 3722-E: Joint Parties, the Joint Solar Interests, Clean Coalition, and ORA; PG&E AL 5206-E: CCA Parties, CCSF, ORA, SEIA and CCSA). On February 9, the IOUs filed replies to the protests (SCE and PG&E). On February 21, the Annual Green Tariff program forum took place (See Agenda and Presentation.)

Recent Activity:

Next Steps:

- Disposition letter or draft resolution in response to PG&E and SCE advice letters.

SDG&E’s Request to Establish a Marketing Affiliate (Advice Letter 2822-E) (CCA Code of Conduct)

To Do:

No change since last month. LEAN will continue to monitor activity related to this matter.
**Background:**

On January 27, 2017 SDG&E filed a revised compliance plan, [Advice Letter 3035](#), for its Independent Marketing Division (IMD). On February 16, 2017 LEAN joined with other parties in protesting this latest advice letter. On April 6, 2017 the Energy Division issued a [Disposition Letter](#) approving AL 3035. On April 17, 2017 the CalCCA sent a [letter](#) to the CPUC requesting full Commission review of the Disposition Letter, and reiterating an earlier request for an Order to Show Cause regarding lobbying activity that SDG&E/Sempra conducted before the Advice Letter was approved. CalCCA’s request, however, does not suspend the effectiveness of the Energy Division’s approval. CPUC staff indicated in a teleconference on July 24, 2017 that no formal action will be taken on the Order to Show Cause.

On a matter related to the CCA Code of Conduct, Cal Choice submitted a [Letter](#) to assigned Commissioners on September 25, 2017. The letter expressed concern for SCE’s conduct in forming a coalition related to the PCIA. On September 28, SCE submitted a [Response](#).

**Next Steps:**

- The CPUC’s Energy Division will prepare a draft resolution addressing CalCCA’s request for full Commission review of the disposition letter. [This request is long overdue](#).
- Separately, the CPUC’s Legal Division is preparing a decision responding to SDG&E’s application for rehearing of Resolution E-4874, which determined that SDG&E’s IMD is also subject to the CPUC’s affiliate transaction rules.

**Tree Mortality Nonbypassable Charge (NBC)**

**To Do:**

LEAN will continue monitoring [this proceeding](#).

**Background:**

On November 14, 2016, the Joint Utilities filed their proposal to establish a Tree Mortality NBC ([Testimony](#)). CalCCA filed a [Protest](#). On July 14, 2017 CalCCA filed a [motion](#) arguing that parties should be allowed to argue for different cost recovery treatment for costs that have been statutorily authorized, on the one hand, versus costs that have simply been authorized by the CPUC. On December 12, there was an [Informal Workshop on BioRAM NBC Mechanism IOU/CCA proposals](#). An initial settlement teleconference took place on January 5.

**Recent Activity:**

- March 14: Ruling denying CalCCA Motion to include consolidated cost recovery issue in scope of application.

**Next Steps:**

- TBD: Expected ruling requesting submission of workshop presentations and comments on presentations.
- TBD: A Scoping Memo will be issued defining the scope of issues and procedural schedule.

**CEC REGULATORY CASE DEVELOPMENTS**

**Implementation of AB 1110 – Power Source Disclosure**

**To Do:**

LEAN is monitoring developments in this [CEC Proceeding](#). (See [OIR](#).)
Background:
This proceeding considers modifications to the Power Source Disclosure Program. Retail sellers, which includes CCAs, will be required to disclose both GHG emissions intensity of their respective electricity portfolios offered to customers and the CEC’s calculation of GHG emissions intensity associated with all statewide sales. Retail sellers will also annually report other information to verify procurement claims and environmental claims made for the previous year. The CEC is required to adopt program guidelines by January 1, 2018. On June 27, CEC staff issued the AB 1110 Implementation Proposal. Numerous parties have submitted comments on the proposal. On September 18, PCE submitted a fairly detailed set of Comments. On January 17, the CEC released the Revised AB 1110 Implementation Proposal for Power Source Disclosure.

On February 1, there was a staff workshop on the updates to the Power Source Disclosure regulations (see Notice, Slides, and Transcript). On February 23, parties filed comments on the Revised Proposal (See CalCCA Comments and Joint Utility comments).

Recent Activity:

- March 6: Comments of UC on Revised Proposal.

Next Steps:

- CEC staff continues to work on the AB 1110 Implementation Proposal. AB 1110 set a January 1, 2018 CEC adoption timeframe, with reporting of GHG intensity occurring after December 31, 2018, though this adoption timeframe may be extended.

CPUC/CEC – JOINT ACTIVITY

Environmental Justice (EJ) and Disadvantaged Communities (DAC) Issues

To Do:
LEAN will monitor any developments related to the new DAC Advisory Group.

Background:
SB 350 requires that the CPUC and the CEC create a DAC Advisory Group (DACAG), which will assist the two Commissions in understanding how energy programs impact these communities. On July 31, the CPUC and the CEC provided notice of their proposal to establish the DACAG. (See summary.) MCE filed comments on this proposal, arguing that CCAs and their representatives are uniquely positioned to communicate with and represent the DACs they serve, and therefore, that the DACAG should have at least one CCA community representative. On November 1, the CPUC released a Draft Resolution and a Solicitation Letter proposing to establish a charter for the DACAG. On December 13/14, the CEC/CPUC approved the DACAG charter (see CPUC Resolution); the CEC subsequently approved 10 members of the DACAG.

On a related note, on March 2, CCEA submitted a Proposal to provide CCA support services in the San Joaquin Valley.

Next Steps:

- April 4: DACAG Meeting at CEC.
- April 6: Parties will file comments on CCEA’s San Joaquin proposal
California Community Choice Association (CalCCA) represents the interests of California’s community choice electricity providers in the legislature and at state regulatory agencies.

**Awarded California Energy Commission (CEC) Grant**

The CEC's EPIC Grant, which offers just over $13 million in grant funding, could lead to a doubling of energy efficiency savings in existing buildings over a three-year period. The bulk of the budget will go towards building out a physical Energy Marketplace, which would be a storefront partnership offering a regulated marketplace for energy products, training, and contractor referral.

**Wildfire Recovery Efforts**

SCP staff continue to support the County of Sonoma, City of Santa Rosa, Sonoma County Transportation Authority, Association of Bay Area Governments, and the Governor's Office to form a Renewal Enterprise District (RED) to reduce the cost and development risk of new housing by pooling public financing for infrastructure, and seeking greater regulatory certainty for projects that are climate-friendly, and built in priority areas (e.g., transit-friendly, walkable, previously-developed). **Long-Term Renewable Power Supply Contracts**

SCP received 81 offers for long-term (10 years or longer) Category 1 RPS-eligible renewable resources ranging from wind, solar, and geothermal all over the Western Interconnect. SCP is entering Power Purchasing Agreements with three developers for Northern California projects including 20 MWs of solar, 80 MWs of wind, and a 50 MW solar project with 5 MWs of energy storage to begin generating from 2020 through mid-2023.

**Valley Clean Energy (VCE) Alliance**

Launching in June 2018, VCE will serve customers within the cities of Woodland, Davis, and unincorporated areas of Yolo County.

**Sacramento Municipal Utility District Agreement**

SMUD will provide technical and energy services on a contract basis to VCE, including data management and call center services, wholesale energy services, credit support services, and up to five years of business operations support. VCE maintains full program control/autonomy and operational flexibility while taking advantage of SMUD's extensive energy sector experience.

**Energy Choice**

VCE will offer LightGreen 42% renewable at a 2.5% discount compared to PG&E, and UltraGreen 100% renewable energy at a slightly higher rate.

SUBJECT: Final Tariff Sheets with 2.5% Rate Discount

DATE: April 25, 2018

RECOMMENDATION

Staff recommends the Board adopt a resolution that approves the final tariff sheets, which reflect a discount of 2.5% from PG&E’s generation rates.

BACKGROUND

On March 22, 2018 the Board adopted a resolution that approved a 2.5% rate discount from PG&E’s generation rates placed into effect March 1, 2018, net of PCIA and Franchise Fees. The adopted discount was a change from the recommended 2% discount. The tariff sheets presented at the March Board meeting reflected the 2% discount. The tariff sheets included in Attachment A have been updated to the approved 2.5% discount.

REQUESTED ACTION

Adopt a resolution that approves the Tariff Sheets as shown in Attachment A.

SUBJECT: Data Privacy Policy Revision

DATE: April 25, 2018

RECOMMENDATION

Staff recommends the Board adopt a resolution that approves the attached revision to the VCEA Data Policy.

BACKGROUND

On January 18, 2018 the Board approved the VCEA Customer and Data Policies. Staff has determined that a sentence in the original Data Policy implies that customer data can be removed from the CCA’s data management system. The nature of the CCA data transaction with PG&E is such that data for all customers within the CCA service territory is updated on a weekly basis with customer data supplied from PG&E, as part of the CPUC-approved process. VCEA is not able to exclude individual customers from this process. The customer data is protected per the originally approved data policy. However to avoid confusion regarding customer data storage, VCEA recommends the revised policy language shown in redline in Attachment A.

Following Board approval, the redline changes will be accepted and the updated policy will be posted to VCEA’s website.

REQUESTED ACTION

Adopt a resolution that approves the revised Data Policy as shown in Attachment A.

Data we collect and how we use it

We collect from Pacific Gas & Electric (PG&E) the following information regarding electricity customers within our jurisdictional territory: name, address, phone number, email address, account information, and electric usage information (collected from the customer's meter). This personal information is used only for core VCEA business, for example planning for and providing electricity, customer service, generating charges for your bill, and VCEA service improvement. Your personal data is only kept for as long as is necessary for business purposes.

As you use the VCEA web site, we collect information automatically sent to us by your browser, as well as information about your usage of the site. The links that are clicked on, the pages that are viewed, and time spent on the site are some of the usage statistics and information used in composing web site analytics and reports that help us measure the usefulness of our site. One of the pieces of data automatically sent to us is your IP address. Your IP address is an internet protocol address number automatically assigned to you when you’re using the internet. It is logged by our servers and is used to provide web-related services for you, and analytics to VCEA. We do not associate your IP address with personal customer data that we receive from PG&E.

General security protections

As required by the CPUC, VCEA uses appropriate administrative, technical and physical safeguards to protect your information from unauthorized access, including: reasonable employee training, independent audits and annual reporting activities.

De-identified information

De-identified or aggregated information is not subject to privacy restrictions, and VCEA may use or share such information when the data is sufficiently de-identified or aggregated to the point where it is no longer personally identifiable.

Individual choice and access

VCEA will provide to you, upon request, access to your personal information collected by VCEA, which we can update or correct with your input.
VCEA only collects the minimum information needed to provide services to our customers. If you do not wish us to collect and store your information, we may not be able to deliver the associated service(s).

2 Security Breach Policy

Purpose

This Security Breach Policy (“Policy”) has been developed to provide for a consistent response to security breach incidents involving VCEA sensitive and confidential data. The goal of this Policy is to ensure that VCEA responds appropriately to security breaches and ensures that the appropriate communications are taking place when necessary.

Scope

This document is applicable to all directors, officers, and employees of VCEA and any other individual or entity acting for or on behalf of VCEA, whether operating inside or outside of the United States (collectively “Covered Persons”). Third parties, including but not limited to contractors, consultants, agents, intermediaries, and joint-venture partners, must be informed about this policy and agree to comply with its tenets.

Definitions

Covered Information: any usage information obtained through the use of the capabilities of Advanced Metering Infrastructure when associated with any information than can reasonably be used to identify an individual, family, household, residence, or non-residential customer, except that covered information does not include usage information from which identifying information has been removed such that an individual, family, household or residence, or non-residential customer cannot reasonably be identified.

Data quality & security

VCEA is committed to protecting the confidentiality, integrity, and availability of Covered Information. VCEA ensures, to the extent practicable, that collected information is accurate, relevant, timely, and complete in order to maintain as high a level of data quality as possible.

VCEA implements reasonable administrative, technical, and physical safeguards to protect Covered Information from unauthorized access, destruction, use, modification, or disclosure.

Security systems and monitoring

VCEA uses reasonable administrative, technical and physical safeguards and procedures, as well as state of the art security systems as detailed in the system security plan, to monitor its information systems for anomalies and security events that may indicate an incident or breach.

VCEA requires third party service providers to deploy industry standard security controls and perform adequate security status monitoring of the environment and systems used to support VCEA.
Incident handling

When a security incident is believed to have been discovered, support staff will contact their supervisors and the contract manager (if applicable) in order to make management aware as soon as possible. Management will appoint an incident commander, who will be responsible for officially declaring an incident and directing the response (Incident Commander).

Upon determination that an unauthorized person obtained access to or compromised VCEA data or systems, the Incident Commander may direct staff to take the following actions, considering the nature of the event and the presence of any exigent circumstances:

- Assess the scope and character of the incident
- Document the details of the incident and VCEA’s handling of the incident
- Begin an incident handling log
- Direct the acquisition, securing, and preservation of evidence
- Contain the incident
- Eradicate the cause of the incident
- Restore the integrity of the system/recover affected systems
- Mitigate the ability for the incident to reoccur/remediate any associated security vulnerabilities

Notification of breach

Once VCEA has identified the type and scope of the information compromised or accessed by an unauthorized person, VCEA will notify the appropriate parties as described in the following sections.

VCEA Customers

Due to the nature of VCEA’s work with its Customers, it is possible that PII related to a customer may be breached. If this occurs, VCEA will assess the need to contact the affected Customer or Customers. However, as VCEA does not collect the data elements that require mandatory breach notification in the state of California, it is not anticipated that notification will be required by law. Final determinations regarding mandatory breach notifications will be made by VCEA Legal Counsel.

Law enforcement

If VCEA feels that the information is likely to be misused, or if it is believed to otherwise be a benefit by doing so, VCEA will contact local law enforcement, report the incident, and ask for a copy of the report. VCEA may also contact the local office of the Federal Bureau of Investigations (FBI).

If a law enforcement investigation is opened, VCEA will consult with the applicable agency or agencies regarding the timing and content of any required notifications to avoid compromising or impeding the investigation.
If law enforcement informs VCEA that notification would jeopardize its ability to conduct an investigation and requests that VCEA delay notification, such notice from law enforcement will be in writing and VCEA will delay notification for the period requested by law enforcement. If VCEA determines that the delay is patently unreasonable, VCEA will notify law enforcement that the applicable state agencies and individuals will be notified within a reasonable time frame.

**CPUC**

In the event of a breach affecting the Covered Information of more than 1,000 customers, VCEA will send a notification of the breach to the Executive Director of the CPUC within two weeks of the detection of a breach or within one week of notification by a third party of such a breach. VCEA will also send notification of a breach to the Executive Director of the CPUC if specifically requested by the CPUC.

**Evaluation and response**

Once the incident has been confirmed to be resolved, the Incident Commander will also ensure the following actions take place:

- Report the findings and actions taken in response
- Conduct a lessons learned session to determine if response was appropriate and if additional changes are needed
- Recommend policy updates if necessary

**Notification language**

The text of all notifications will be approved by VCEA management.

Notifications will contain all information and data elements that are required by law and will be distributed as prescribed by the same.

**Accountability and auditing**

VCEA will file an annual report with the CPUC’s Executive Director within 120 days of the end of the calendar year to notify the CPUC of all required notifications. The report will detail the number of demands for disclosure of customer data pursuant to legal process or situations of imminent threat to life or property. The report will also contain a description of all security breaches in the calendar year that affected Covered Information, the number of authorized third parties accessing Covered Information, as well as any known violations of or instances of non-compliance to CPUC rules or contractual provisions experienced in the calendar year, with a detailed description of each instance.

VCEA will make available to the CPUC upon request or audit:

- Privacy notices provided to customers
- Internal privacy and data security policies
• The categories of agents, contractors, and other third parties to which VCEA discloses customer information for a primary purpose (VCEA does not disclose customer information for secondary purposes)

VCEA will provide training on an annual basis to all employees with access to Covered Information. Training will cover topics such as privacy, information security and data quality.

VCEA will conduct an independent audit of its data privacy and security practices every three years or whenever required by the CPUC. The audit will monitor compliance with data privacy and security commitments, and VCEA will report the findings to the CPUC.
This report transmits the Community Advisory Committee’s Report regarding its April 9, 2018 meeting.

Community Advisory Committee Report to the Board
Summary of April 9th CAC Meeting

Following a Chair/Vice-Chair discussion with Mitch Sears, Gerry Braun, Christine Shewmaker, Lucas Frerichs and Tom Stallard, it was suggested that instead of a CAC report at the end of the Board meeting, that a brief written summary be included in the Board agenda materials. Included would be short explanations of votes, particularly when they were not unanimous. There were no votes at the April 9th CAC meeting, however a short summary of items discussed and concerns raised is below.

- **Integrated Resource Plan Workshop**
  Reviewed workshop agenda and discussed plans for 3 hour meeting to work on IRP on April 26th. VCEA long term vision will be used as guide with the Climate Action Plans of the Cities of Davis and Woodland and Yolo County reviewed for consistency. It was suggested that metrics be developed to track VCEA progress on long term vision targets.

- **Outreach**
  Concerns raised by Outreach Task Group over materials prepared by Circlepoint. The task group recommended that Staff and Circlepoint develop a work flow to prevent this from happening in the future. Further, the task group offered to assist Staff since VCEA is not fully staffed as yet.
  NEM post card and Solar Customer page are in need of review. A solar installer will be reviewing the Solar page as well as the Outreach Task Group. It was suggested to have information sessions with solar customers.

- **Leg/Reg**
  Discussed CPUC proposed increase in TRC (total resource cost) benefit/cost ratio test to 1.25 for CCAs; this is .25 more than previous. Final decision will be May 10th. This would apply to programs that will have to be approved through CPUC. There was some discussion of reduced flexibility available to CCAs if the test were applied to them as currently proposed.

- **Chair/Vice-Chair report**
  The Chair provided updates from meeting with G. Braun, C. Shewmaker, L. Frerichs, T. Stallard and M. Sears. They discussed what the CAC’s role would be beyond the launch phase.

SUBJECT: Approval of Credit Agreement with River City Bank

DATE: April 25, 2018

RECOMMENDATION
Staff recommends the Board adopt a resolution that approves the Credit Agreement with River City Bank contingent upon the City of Woodland approving the Subordination Agreement at their City Council meeting on May 1, 2018.

BACKGROUND AND ANALYSIS
At the December 14, 2017 Board meeting, the Board adopted a resolution to select River City Bank as the credit and banking services vendor for VCE and authorized the Interim General Manager to execute a letter of intent and enter into negotiations for final contracts with River City Bank for VCE credit facilities. On March 7, 2018, the Interim General Manager executed a term sheet for up to $11,000,000 in total credit facilities for VCE with River City Bank.

Summary of the Credit Agreement
Revolving Line of Credit (RLOC)
- Up to $11,000,000 RLOC for the sole purpose of providing working capital to fund power purchases during seasonal differences in cash flow and reserves as needed to support power purchases.
- Monthly interest payments due on outstanding RLOC balance at a variable rate of interest equal to the One-Month LIBOR plus 1.75% per annum, subject to a floor of 1.75% per annum. If all of the $11M were drawn, the monthly payment would be approximately $33,400, subject to the variable rates.
- Availability of RLOC expires 1 year from execution of agreement (with an option to extend the line for another 6 months for total of 18 months).
- The fees and expenses of the loan are estimated to be $30,000 and will be paid with proceeds of the line of credit/directly by VCE.
Conversion of RLOC
- At the expiration of the RLOC, any outstanding balance can be converted to an amortizing Term Loan which matures up to 5 years from conversion date.

Term Loan
- Up to 60 equal monthly principal payments plus interest on outstanding balance at a fixed rate of interest equal to the 3 year Treasury Constant Maturity Rate plus 2.00% per annum at the time of conversion.
- Required annual Debt service coverage ratio of 1.25:1.

Other Requirements
- Establish Debt Service Reserve Account of $1,100,000 which can be funded by RLOC and River City Bank has 1st Lien position on this account.
- JPA member loans subordinate to this Credit Agreement.
- Various other loan covenants.

All financial factors associated with the RLOC and subsequent Term Loan have been factored into and are accounted for by the VCE financial model.

The JPA members will consider the Subordination Agreement at their respective member agency meetings in April (City of Davis and Yolo County), and May 2018 (City of Woodland).

VCE’s financial and management staff, supported by legal counsel with expertise in financial agreements provided by the office of VCE’s General Co-Counsel (BBK), participated in the development and review of the Credit Agreement and associated documents. BBK legal counsel has reviewed and approved the documents as to form.

Staff is recommending the Board approve the Credit agreement with River City Bank as summarized above, and authorize the Board Chair to approve and execute the Credit Agreement, contingent upon all JPA member agencies approving their Subordination Agreements.

and

RIVER CITY BANK,
as Lender
CREDIT AGREEMENT

This CREDIT AGREEMENT (this “Agreement”) is entered into as of April ___, 2018, by and between VALLEY CLEAN ENERGY ALLIANCE, a public agency formed under the provisions of the Joint Exercise of Powers Act of the State of California, Government Code Section 6500 et. seq. (“Borrower”), and RIVER CITY BANK, a California corporation (“Lender”).

W I T N E S S E T H:

WHEREAS, Borrower has requested, and Lender has agreed to make available to Borrower, a credit facility which includes a revolving line of credit upon and subject to the terms and conditions set forth in this Agreement;

NOW, THEREFORE, in consideration of the mutual agreements, provisions and covenants contained herein, the parties agree as follows:

SECTION 1. DEFINITIONS AND INTERPRETATION.

Section 1.1. Definitions. All capitalized terms used in this Agreement and not otherwise defined have the meanings ascribed to them on Exhibit A.

Section 1.2. Other Interpretive Provisions.

(a) Defined Terms. Unless otherwise specified herein or therein, all terms defined in this Agreement will have the same defined meanings when used in any certificate or other document made or delivered pursuant hereto. The meaning of defined terms is equally applicable to the singular and plural forms of the defined terms.

(b) References. The words “hereof”, “herein”, “hereunder” and words of similar import when used in this Agreement will refer to this Agreement as a whole and not to any particular provision of this Agreement; and subsection, section, schedule and exhibit references are to this Agreement unless otherwise specified.

(c) Certain Common Terms. The term “documents” includes any and all instruments, documents, agreements, certificates, indentures, notices and other writings, however evidenced. The term “including” is not limiting and means “including without limitation.”

(d) Performance; Time. Whenever any performance obligation hereunder is stated to be due or required to be satisfied on a day other than a Business Day, such performance may be made or satisfied on the next succeeding Business Day. In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including”; the words “to” and “until” each mean “to but excluding”, and the word “through” means “to and including.” If any provision of this Agreement refers to any action taken or to be taken by any Person, or which such Person is prohibited from taking, such provision will be interpreted to encompass any and all means, direct or indirect, of taking, or not taking, such action.
(e) **Contracts.** Unless otherwise expressly provided herein, references to agreements and other contractual instruments, including this Agreement and the other Loan Documents, will be deemed to include all subsequent amendments thereto, restatements thereof and other modifications and supplements thereto which are in effect from time to time, but only to the extent such amendments and other modifications are not prohibited by the terms of any Loan Document.

(f) **Laws.** References to any statute or regulation are to be construed as including all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting the statute or regulation.

(g) **Dollars and $.** All references to “dollars” or “$” refer to United States dollars.

**Section 1.3. Accounting Principles.**

(a) Unless the context otherwise clearly requires, all accounting terms not expressly defined herein will be construed, and all financial computations required under this Agreement will be made, in accordance with GAAP, consistently applied.

(b) References herein to “fiscal year”, “fiscal quarter” and “fiscal month” refer to such fiscal periods of Borrower.

(c) If any change in GAAP results in a change in the calculation of the financial covenants or interpretation of related provisions of this Agreement or any other Loan Document, then Borrower and Lender agree to amend such provisions of this Agreement so as to equitably reflect such changes in GAAP with the desired result that the criteria for evaluating Borrower’s financial condition will be the same after such change in GAAP as if such change had not been made.

**SECTION 2. THE REVOLVING LINE OF CREDIT.**

**Section 2.1. Revolving Credit.** Subject to the terms and conditions hereof, Lender agrees to make a revolving credit facility (the “Revolving Credit”) available to Borrower for the sole purpose of providing working capital to fund (a) power purchases during seasonal differences in cash flow and (b) reserves as needed to support Power Purchase Agreements in an aggregate principal amount not to exceed, at any one time, the Revolving Credit Commitment at any time prior to the Revolving Credit Termination Date. The Revolving Credit will be disbursed in one or more advances (each, an “Advance” and, collectively, the “Advances”), provided that the conditions precedent to Advances specified in Section 8 are satisfied. Subject to the Revolving Credit Commitment and the other terms and conditions of this Agreement, Borrower may periodically request Advances; provided, however, that Lender will have no obligation to make Advances on or after the Revolving Credit Termination Date.

**Section 2.2. Advances.** Advances under this Agreement may be requested in writing by Borrower or any Authorized Representative appointed by Borrower. Borrower agrees that
Lender may rely upon any written notice given by any person Lender in good faith believes is an Authorized Representative without the necessity of independent investigation.

Section 2.3. Promissory Note. The Revolving Credit will be evidenced by a Revolving Credit Promissory Note (the “Promissory Note”) made, executed and delivered by Borrower and payable to the order of Lender in the form (with appropriate insertions) attached hereto as Exhibit B.

Section 2.4. Repayment.

(a) Revolving Credit Termination Date. All Advances (including all outstanding principal and accrued but unpaid interest) under the Revolving Credit shall be due and payable in full on the Revolving Credit Termination Date. Until the Revolving Credit Termination Date, Borrower shall repay the Advances with interest as provided herein and in the Promissory Note. This is a revolving credit and any Advances repaid may be re-borrowed prior to the Revolving Credit Termination Date. Provided no Default or Event of Default has occurred or is occurring, Borrower may request a one-time extension of the Revolving Credit Termination Date for a period of six (6) months by providing a written request to Lender no later than thirty (30) days prior to the Revolving Credit Termination Date. The extension request may be approved or rejected by Lender in its sole discretion. If approved, Lender shall notify Borrower in writing of the extended Revolving Credit Termination Date not later than ten (10) days prior to the initial Revolving Credit Termination Date. Provided no Default or Event of Default has occurred or is occurring, Borrower may also exercise a one-time option to convert the outstanding Advances under the Revolving Credit to a term loan as provided below.

(b) Conversion of Revolving Advances to a Term Loan. No later than thirty (30) days prior to the Revolving Credit Termination Date (as may be extended pursuant to Section 2.4(a)), Borrower may notify Lender of its intent to exercise its option to convert, as of a date not later than the Revolving Credit Termination Date, the outstanding Advances under the Revolving Credit to a term loan (the “Term Loan”) payable in installments of up to sixty (60) equal monthly principal payments plus interest payable monthly in arrears at the Term Loan Rate. The Term Loan shall be governed by the terms and conditions of this Agreement and evidenced by a single promissory note (the “Term Note”) made, executed and delivered by Borrower in the form (with appropriate insertions) attached hereto as Exhibit C.

SECTION 3. INTEREST, LATE FEES, PREPAYMENTS AND APPLICATIONS.

Section 3.1. Interest Payments.

(a) Advances. The outstanding principal balance of Advances will bear interest (which Borrower hereby promises to pay at the rates and at the times set forth therein) prior to maturity (whether by lapse of time, acceleration or otherwise) at the Applicable Rate and after maturity (whether by lapse of time, acceleration or otherwise), whether before or after judgment, at the Default Rate, until paid in full. The determination of the Applicable Rate by Lender shall be conclusive and binding on Borrower in the absence of demonstrable error.
(b) **Interest Payment Dates.** Borrower will pay regular monthly payments of all accrued but unpaid interest on the Advances as of each Payment Date beginning with the first Payment Date immediately following the initial Advance with all subsequent interest payments due and payable on each Payment Date thereafter. Interest on the Advances will be payable monthly in arrears on each Payment Date. Interest on any installment of principal will be due on a Payment Date provided however, that any principal amount that is not paid when due (whether by lapse of time, acceleration or otherwise) will be due and payable on demand. Borrower will make all payments at the address specified in Section 3.4.

(c) **Late Fees.** If Borrower fails to make any payment of principal or interest under the Notes or any other sum payable hereunder or under any other Loan Document within five (5) calendar days after its due date, Lender will be entitled at its option to impose a late charge in an amount equal to six percent (6.00%) of the amount of such past due payment, which charge, if imposed by Lender, shall be due and payable by Borrower immediately upon receipt of written notice thereof.

**Section 3.2. Computation of Interest; Minimum and Maximum Interest Rates.** All interest on the Advances will be calculated on the basis of a year of 360 days for the actual number of days elapsed. In no event shall the applicable interest rate exceed the maximum rate allowed by law (including Government Code Section 53854).

**Section 3.3. Prepayments.**

(a) **Voluntary Prepayment.** Borrower may voluntarily prepay Advances, in whole or in part, at any time without any penalty or fee. In connection with such prepayment, Borrower may prepay the principal amount of any Note, in whole or in part, together with interest accrued on the principal amount prepaid, at its option and without premium, prior to the applicable Maturity Date or the Termination Date, as the case may be.

(b) **Mandatory Prepayment.** Borrower will, upon demand, prepay Advances at any time and to the extent that the outstanding principal amount of all Advances exceeds the Revolving Credit Commitment.

(c) **Application of Prepayments.** All prepayments shall be applied in accordance with Section 3.4.

**Section 3.4. Place and Application of Payments and Collections.** All payments of principal, interest, fees and all other Obligations payable hereunder will be made to Lender at the following address no later than 2:00 p.m. (Pacific Standard Time) on the date any such payment is due and payable:

River City Bank
Loan Center
2485 Natomas Park Drive, Suite 400
Sacramento, CA 95833
So long as any Event of Default has occurred and is continuing, Borrower agrees that Lender, in its sole and absolute discretion, may apply any payments or collections received by Lender from Borrower in respect of the Revolving Credit to any of the Obligations in any manner or order as Lender desires. Lender’s receipt and application of payments or collections shall not constitute a waiver or cure of any Default.

Section 3.5. Notations. All Advances made and evidenced by a Note and the rates of interest applicable thereto will be recorded by Lender on its books and records or, at its option in any instance, endorsed on a schedule to such Note, and the unpaid principal balance and interest rates so recorded or endorsed by Lender will be prima facie evidence in any court or other proceeding brought to enforce such Note of the principal amount remaining unpaid, the status of the Advances evidenced by such Note and the applicable interest rates; provided, however, that the failure of Lender to record any of the foregoing will not limit or otherwise affect the obligation of Borrower to repay the principal amount of such Note together with accrued interest thereon. Prior to any negotiation of any Note, Lender will record on a schedule thereto the status of all amounts evidenced by such Note and the rates of interest applicable thereto.

Section 4. Fees.

Section 4.1. Upon execution of this Agreement, Borrower shall pay to Lender fees for this Agreement as follows:

(a) Loan Fee. A Loan Fee in an amount equal to .25% of the Revolving Credit Commitment ($27,500.00).

(b) Documentation Fee. A Documentation Fee in an amount equal to $2,500.00 for the Revolving Credit Commitment.

(c) Other Costs and Fees. Borrower shall be subject to and agrees to pay any and all other costs and fees incurred by Lender associated with the origination and documentation of this Agreement including the reasonable fees and expenses of legal counsel retained by Lender.

Section 5. Conversion of Revolving Credit Advances to Term Note.

Section 5.1. Term Loan. Provided no Default or Event of Default has occurred or is continuing, Borrower shall have an option to convert outstanding Advances under the Revolving Credit to a Term Loan as provided in Section 2.4(b) herein. The Term Loan will accrue interest at the Applicable Rate from and including the date on which the outstanding Advances are converted to a Term Loan and will be evidenced by the Term Note. Borrower’s right to convert outstanding Advances under the Revolving Credit to a Term Loan shall be subject to the execution and delivery of such additional documentation from Borrower and any subordinated creditors as Lender may reasonably require.
SECTION 6. COLLATERAL – REVOLVING CREDIT COMMITMENT.

Section 6.1. Debt Service Reserve Account. As a condition to Lender’s obligation to make any Advances under the Revolving Credit Commitment, Borrower will open and establish a restricted deposit account, which may be interest bearing, with Lender (the “Debt Service Reserve Account”), with a balance of not less than $1,100,000.00 at any time. The Debt Service Reserve Account will be held in the name of Borrower and will serve as collateral for the Obligations. Borrower will pay on demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of the Debt Service Reserve Account.

Section 6.2. Assignment of Debt Service Reserve Account. As security for the prompt payment and performance by Borrower of all Obligations, Borrower hereby unconditionally and irrevocably assigns, conveys, transfers, delivers, and confirms unto Lender, and hereby grants to Lender a continuing security interest in the Debt Service Reserve Account and (i) all replacements, substitutions or proceeds thereof, (ii) all instruments and documents now or hereafter evidencing the Debt Service Reserve Account, (iii) all powers, options, rights, privileges and immunities pertaining to the Debt Service Reserve Account, including the right to make withdrawals therefrom, and (iv) all interest, income, profits and proceeds of the foregoing. Borrower hereby acknowledges and agrees that Lender shall have exclusive control over the Debt Service Reserve Account, and Borrower shall have no right to withdraw funds from the Debt Service Reserve Account; provided, however, that Borrower may withdraw funds from the Debt Service Reserve Account from time to time if (1) the balance of the Debt Service Reserve Account will not be less than $1,100,000.00 after giving effect to such withdrawal, (2) no Default or Event of Default has occurred and is continuing, and (3) no Event of Default would occur as a result of such withdrawal. If an Event of Default shall occur hereunder or under any of the Obligations, then Lender may, without notice or demand on Borrower, at its option: (A) withdraw any or all of the funds (including without limitation, interest) then remaining in the Debt Service Reserve Account and apply the same, after deducting all costs and expenses of safekeeping, collection and delivery, and all reasonable attorneys’ fees, costs and expenses incurred by Lender in connection with the Event of Default, to any amounts due and unpaid under this Agreement, any Note or any other Obligations in such manner and order as Lender shall deem appropriate in its sole discretion, (B) exercise any and all rights and remedies of a secured party under any applicable Uniform Commercial Code, and/or (C) exercise any other remedies available at law or in equity. All rights and remedies of Lender hereunder and under that certain Assignment of Deposit Account in the form of Exhibit D attached entered into as of the date hereof between Borrower and Lender shall be cumulative.

SECTION 7. REPRESENTATIONS AND WARRANTIES.

Borrower represents and warrants to Lender as follows:

Section 7.1. Organization and Qualification; Authority; Consents. Borrower (a) is a public agency formed under the provisions of the Joint Exercise of Powers Act of the State of California (Government Code Section 6500, et seq.) that is qualified to be a community choice aggregator pursuant to California Public Utilities Code Section 366.2 and (b) has full and
adequate power to own its Property and conduct its business as now conducted, and is duly licensed or qualified in each jurisdiction in which the nature of the business conducted by it or the nature of the Property owned or leased by it requires such licensing or qualifying unless the failure to be so licensed or qualified would not have a material adverse effect on its business, operations or assets. Borrower has the agency power to enter into this Agreement and the other Loan Documents to which it is a party, to request the Advances and incur the Obligations provided for herein, to execute the Notes in evidence thereof, to pledge and encumber assets as security therefor, and to perform each and all of the promises herein and therein. This Agreement and the other Loan Documents to which Borrower is a party do not, nor does the performance or observance by Borrower of any of the matters or things herein or therein provided for, contravene any provision of law or the Joint Powers Agreement or any covenant, indenture or agreement of or affecting Borrower or any of its Properties, including any Power Purchase Agreements. The execution, delivery, performance and observance by Borrower of this Agreement and the other Loan Documents do not and, at the time of delivery hereof, will not require any consent or approval of any other Person, other than such consents and approvals that have been given or obtained.

Section 7.2. Legal Effect. This Agreement and the other Loan Documents to which Borrower is a party constitute legal, valid and binding agreements of Borrower, enforceable in accordance with their respective terms, subject to laws relating to bankruptcy, insolvency or other laws affecting the enforcement of creditors’ rights generally and the application of equitable remedies if equitable remedies are sought.

Section 7.3. Subsidiaries. Borrower has no Subsidiaries.

Section 7.4. Use of Proceeds. Borrower will use the proceeds of the Advances as provided herein and solely for purposes consistent with the purpose of Borrower as set forth in the Joint Powers Agreement, including for purposes consistent with the community choice aggregation program established by Borrower pursuant to California Public Utilities Code Section 366.2.

Section 7.5. Financial Reports. Effective with the delivery to Lender of the financial statements required by Section 9.2, the statements of financial condition of Borrower as at the date of such statements delivered to Lender, and the related statements of income, retained earnings and cash flows of Borrower for the fiscal year then ended and accompanying notes thereto, which financial statements are to be reviewed by an independent public accountant, and the unaudited interim statements of financial condition of Borrower as at the date of such statements delivered to Lender and the related statements of income and cash flows of Borrower for the period then ended, fairly present the financial condition of Borrower as at said dates and the results of its operations and cash flows for the periods then ended in conformity with GAAP applied on a consistent basis, subject (in the case of unaudited statements) year-end audit adjustments. Borrower has no contingent liabilities which are material to it other than, with respect to any financial statements delivered to Lender, as indicated on said financial statements.

Section 7.6. Full Disclosure. The statements and other information furnished to Lender in connection with the negotiation of this Agreement and the other Loan Documents and the commitment by Lender to provide the financing contemplated hereby do not contain any untrue
statements of a material fact or omit a material fact necessary to make the material statements contained herein or therein not misleading; provided that Lender acknowledges that, as to any projections furnished to Lender, Borrower only represents that the same were prepared on the basis of information and estimates Borrower believed to be reasonable at the time such information was prepared.

Section 7.7. Litigation. There is no litigation or governmental proceeding pending, nor to the knowledge of Borrower threatened in writing, against Borrower which if adversely determined would result in any material adverse change in the financial condition, Properties, business or operations of Borrower.

Section 7.8. Good Title. Borrower has good and defensible title to its Properties as reflected on the most recent balance sheet of Borrower furnished to Lender, subject to no Liens other than Permitted Liens or as otherwise limited by applicable law.

Section 7.9. Members. Borrower is not a party to any contract or agreement with any of its members on terms and conditions which are less favorable to Borrower than would be usual and customary in similar contracts or agreements between Persons not affiliated with each other.

Section 7.10. Compliance with Laws. Borrower is in compliance with the requirements of all federal, state and local laws, rules and regulations applicable to or pertaining to its Properties or business operations (including, without limitation, laws and regulations establishing quality criteria and standards for air, water, land and toxic or hazardous wastes and substances), non-compliance with which could have a material adverse effect on the financial condition, Properties, business or operations of Borrower. Borrower has not received notice to the effect that its operations are not in compliance with any of the requirements of applicable federal, state or local environmental, health and safety statutes and regulations or are the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which non-compliance or remedial action could have a material adverse effect on the financial condition, Properties, business or operations of Borrower.

Section 7.11. Other Agreements. Borrower is not in default under the terms of any covenant, indenture or agreement of or affecting Borrower or any of its Properties, which default if uncured would have a material adverse effect on the financial condition, Properties, business or operations of Borrower.

Section 7.12. No Default. No Default or Event of Default has occurred or is continuing.

SECTION 8. CONDITIONS PRECEDENT.

The obligation of Lender to make any Advance is subject to the following conditions precedent:

Section 8.1. All Advances. As of the time of the making of each Advance (including the initial Advance unless otherwise specified):
(a) each of the representations and warranties set forth in Section 7 hereof and in the other Loan Documents shall be true and correct as of said time, except that the representations and warranties made under Section 7.5 (except for the initial Advance) shall be deemed to refer to the most recent financial statements furnished to Lender pursuant to Section 9.2 hereof; and

SECTION 9. COVENANTS.

Borrower agrees that, so long as any credit is available to or in use by Borrower hereunder, except to the extent compliance in any case or cases is waived in writing by Lender:

Section 9.1. Maintenance of Business. Borrower shall preserve and maintain its existence. Borrower shall preserve and keep in force and effect all licenses, permits and franchises necessary to the proper conduct of its business and shall conduct its business affairs in a reasonable and prudent manner. Borrower shall maintain executive and management personnel with substantially the same qualifications and experience as the present executive and management personnel, and shall provide Lender with written notice of any change in executive and management personnel.

Section 9.2. Financial Reports. Borrower shall maintain a standard system of accounting in accordance with GAAP and shall furnish to Lender and its duly authorized representatives such information respecting the business and financial condition of Borrower as Lender may reasonably request; and without any request, Borrower shall furnish to Lender:

(a) as soon as available, and in any event within thirty (30) days after the close of each month, an unaudited balance sheet of Borrower as of the last day of the period then ended and statements of income, retained earnings and cash flows of Borrower for the period then ended, prepared in accordance with GAAP and in a form acceptable to Lender;

(b) as soon as available, and in any event no later than one hundred twenty (120) days after each Fiscal Year End, a CPA-audited balance sheet of Borrower as of the last day of the Fiscal Year End and CPA-audited statements of income, retained earnings and cash flows of Borrower for the period then ended, and accompanying notes thereto, each in reasonable detail showing in comparative form the figures for the previous fiscal year, accompanied by an unqualified opinion thereon of Borrower’s independent public accountants, to the effect that the financial statements have been prepared in accordance with GAAP and present fairly in accordance with GAAP the financial condition of Borrower as of the close of such fiscal year and the results of its operations and cash flows for the fiscal year then ended and that an examination of such accounts in connection with such financial statements has been made in accordance with generally accepted auditing standards and, accordingly, such examination included such tests of the accounting records and such other review procedures as were considered necessary in the circumstances;
(c) promptly after receipt thereof, any additional written reports, management letters or other detailed information contained in writing concerning significant aspects of Borrower’s operations and financial affairs given to it by its independent public accountants;

(d) promptly after knowledge thereof shall have come to the attention of any responsible officer of Borrower, written notice of any litigation threatened in writing or any pending litigation or governmental proceeding or labor controversy against Borrower which, if adversely determined, would materially adversely affect the financial condition, Properties, business or operations of Borrower or result in the occurrence of any Default or Event of Default hereunder; and

(e) promptly upon request, all such other information as Lender may reasonably request.

Each of the financial statements furnished to Lender pursuant to this Section 9.2 shall be accompanied by a written certificate signed by the Director of Finance of Borrower to the effect that to the best of such officer’s knowledge and belief no Default or Event of Default has occurred during the period covered by such statements or, if any such Default or Event of Default has occurred during such period, setting forth a description of such Default or Event of Default and specifying the action, if any, taken by Borrower to remedy the same.

Section 9.3. Maintenance of Debt Service Reserve Account. Borrower shall ensure that the Debt Service Reserve Account remains pledged and assigned to Lender as collateral for the Obligations in accordance with Section 6.

Section 9.4. Exclusive Depository Relationship. Borrower shall maintain an exclusive business banking deposit account relationship with Lender for so long as any amounts under this Agreement or any Note remain outstanding. In the event that this condition is not satisfied, as determined by Lender, the Applicable Rate (or the Default Rate, if applicable) and any commissions charge on any outstanding Note will immediately increase by an additional 2.00 percentage points.

Section 9.5. Debt Service Coverage Ratio. If the Revolving Credit is converted to the Term Loan, Borrower shall maintain a minimum Debt Service Coverage Ratio (“DSCR”) not at any time less than 1.25:1.00, measured annually as of each Fiscal Year End beginning with the first June 30 following conversion to the Term Loan. DSCR is calculated as EBIDA divided by Debt Service.

“EBIDA” is hereby defined as earnings before depreciation, amortization and interest expense, for the twelve (12) month period ending the most recent fiscal year end.

“Debt Service” is hereby defined as interest expense during the calculated period plus current maturities of long term debt reported at the beginning of the calculated period.

Section 9.6. Unrestricted Tangible Net Assets. Borrower shall maintain minimum Unrestricted Tangible Net Assets not at any time less than Two Million and 00/100 Dollars ($2,000,000), measured annually as of June 30, 2019.

“Unrestricted Tangible Net Assets” is defined as total assets less temporarily and permanently restricted assets, less any intangible assets, less total liabilities.
Section 9.7. Positive Change in Net Assets. Borrower will show a minimum positive change in Net Assets of no less than One and 00/100 Dollars ($1.00), measured annually for the twelve month period beginning the first day after Fiscal Year End 2018 through the Fiscal Year End 2019.

“Net Assets” is defined as total assets less total liabilities.

Section 9.9. Inspection. Borrower shall permit Lender and its duly authorized representatives and agents, at such times and intervals as Lender may designate, but in any event no more than six (6) times during any twelve (12) month period if no Default or Event of Default has occurred and is continuing: (i) to visit and inspect any of the Properties, books and financial records of Borrower and to examine and make copies of the books of accounts and other financial records of Borrower, and (ii) to discuss the affairs, finances and accounts of Borrower with, and to be advised as to the same by, the executive officers of Borrower and other officers, employees and independent public accountants of Borrower (and by this provision Borrower authorizes such accountants to discuss with Lender or its agents and representatives the finances and affairs of Borrower). Without limiting the generality of the foregoing, Borrower shall promptly provide all information and access requested by Lender as Lender determines is necessary or required in connection with the preparation of its own financial statements.

Section 9.10. Liens. Borrower shall not create, incur or permit to exist any Lien of any kind on any Property owned by Borrower; provided, however, that the foregoing shall not apply to nor operate to prevent:

(a) Liens arising by statute in connection with worker’s compensation, unemployment insurance, old age benefits, social security obligations, taxes, assessments, statutory obligations or other similar charges, good faith cash deposits in connection with tenders, contracts or leases to which Borrower is a party or other cash deposits required to be made in the ordinary course of business, provided in each case that the obligation is not Indebtedness for Borrowed Money and that the obligation secured is not overdue or, if overdue, is being contested in good faith by appropriate proceedings which prevent enforcement of the matter under contest and adequate reserves have been established therefor;

(b) mechanics’, workmen’s, materialmen’s, landlords’, carriers’, or other similar Liens arising in the ordinary course of business with respect to obligations which are not due or which are
being contested in good faith by appropriate proceedings which prevent enforcement of the matter under contest;

(c) the pledge of assets for the purpose of securing an appeal, stay or discharge in the course of any legal proceeding, provided that the aggregate amount of liabilities of Borrower secured by a pledge of assets permitted under this subsection, including interest and penalties thereon, if any, shall not be in excess of $200,000 at any one time outstanding;

(d) the Liens identified on Schedule 1 hereto;

(e) the Liens pursuant to an approved Power Purchase Agreement; and

(f) the Liens established by the Loan Documents or otherwise in favor of Lender.

The Liens described in clauses (a) through (f) of this Section 9.10 are collectively referred to in this Agreement as the “Permitted Liens.”

Section 9.11. Investments, Acquisitions, Loans, Advances and Guaranties. Borrower shall not directly or indirectly, make, retain or have outstanding any investments (whether through purchase of stock or obligations or otherwise) in, or loans or advances (other than for travel advances and other similar cash advances made to employees in the ordinary course of business) to, any other Person, or acquire all or any substantial part of the assets or business of any other Person or division thereof, or be or become liable as endorser, guarantor, surety or otherwise for any debt, obligation or undertaking of any other Person, or otherwise agree to provide funds for payment of the obligations of another, or supply funds thereto or invest therein or otherwise assure a creditor of another against loss, or apply for or become liable to the issuer of a letter of credit which supports an obligation of another, or subordinate any claim or demand it may have to the claim or demand of any other Person.

Section 9.12. Compliance with Laws. Borrower shall comply in all respects with the requirements of all laws, rules, regulations, ordinances and orders applicable to or pertaining to its Properties or business operations, non-compliance with which could have a material adverse effect on the financial condition, Properties, business or operations of Borrower or could result in a Lien upon any of its Property.

Section 9.13. Contracts With Members. Borrower shall not enter into any contract, agreement or business arrangement with any of its members on terms and conditions which are less favorable to Borrower than would be usual and customary in similar contracts, agreements or business arrangements between Persons not affiliated with each other.

Section 9.14. Notices of Claims and Litigation. Borrower shall promptly inform Lender in writing of (a) all material adverse changes in Borrower’s financial condition and/or (b) all existing or written threats of litigation, claims, investigations, administrative proceedings or similar actions affecting Borrower which could materially affect the financial condition of Borrower.
Section 9.15. Other Agreements. Borrower shall comply with all terms and conditions of all other agreements, whether now or hereafter existing, between Borrower and any other party, non-compliance with which could have a material adverse effect on the financial condition, Properties, business or operations of Borrower, and notify Lender immediately in writing of any default in connection with any other such agreements.

Section 9.16. Performance. Borrower shall timely perform and comply with all terms, conditions, and provisions set forth in this Agreement, the Notes and in all other instruments and agreements between Borrower and Lender. Borrower shall notify Lender promptly in writing of any Default in connection with any Loan Document.

Section 9.17. Compliance Certificates. Borrower shall, unless waived in writing by Lender, provide Lender, at least annually, with a certificate executed by Borrower’s chief financial officer, or other officer or person acceptable to Lender, certifying that the representations and warranties set forth in this Agreement are true and correct as of the date of the certificate and further certifying that, as of the date of the certificate, no Event of Default exists under this Agreement.

Section 9.18. Fiscal Year. Borrower shall not change its fiscal year without the prior written consent of Lender.

Section 9.19. Indebtedness for Borrowed Money. As of the date hereof, Borrower has no outstanding Indebtedness for Borrowed Money, except as set forth on Schedule 1. Except as disclosed on Schedule 1, Borrower shall not issue, incur, assume, create or have outstanding any Indebtedness for Borrowed Money; provided, however, that the foregoing shall not restrict nor operate to prevent the Obligations of Borrower owing to Lender hereunder.

Section 9.20. No Payments on Subordinated Amounts. So long as any Obligations remain outstanding, Borrower shall not, without the prior written consent of Lender, make any payment on or any distribution with respect to Indebtedness for Borrowed Money to any JPA Member.

SECTION 10. EVENTS OF DEFAULT AND REMEDIES.

Section 10.1. Events of Default. Any one or more of the following will constitute an “Event of Default” hereunder:

(a) any default in the payment when due (whether by lapse of time, acceleration or otherwise) of (i) any payment of principal or interest under the Notes, or (ii) any other Obligation within five (5) days after payment or performance is due from Borrower; or

(b) any representation or warranty made by Borrower herein or in any other Loan Document, or in any statement or certificate furnished by it pursuant hereto or thereto, or in connection with any Advance made hereunder, is inaccurate or untrue in any material respect as of the date of the issuance or making thereof; or
(c) any event occurs or condition exists (other than those described in clauses (a) through (b) above) which is specified as an event of default under any of the other Loan Documents, or any of the Loan Documents for any reason ceases to be in full force and effect, or any of the Loan Documents is declared to be null and void, or Borrower takes any action for the purpose of repudiating or rescinding any Loan Document executed by it; or

(d) any judgment, order, writ of attachment, writ of execution, writ of possession or any similar legal process seeking an amount in excess of One Million Dollars ($1,000,000) is entered or filed against Borrower or any of Borrower’s Properties and remains unvacated, unbonded and unstayed for a period of ten (10) or more calendar days; or

(e) Borrower defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement in favor of any other creditor or Person that may materially affect any of Borrower’s Properties, Borrower’s ability to repay the Revolving Credit or Borrower’s ability to perform its Obligations under this Agreement or any of the other Loan Documents; or

(f) a material adverse change occurs in Borrower’s financial condition, or Lender believes, in its reasonable discretion, the prospect of payment or performance of Borrower’s obligations under this Agreement is materially impaired; or

(g) Borrower (i) takes any steps to effect a Winding-Up, or (ii) fails to pay, or admits in writing its inability to pay, its debts generally as they become due; or

(h) any custodian, receiver, administrative receiver, administrator, trustee, examiner, liquidator or similar official is appointed over Borrower or any substantial part of any of its Properties, whether by court order, by operation of law or otherwise, or a Winding-Up proceeding is instituted against Borrower, and such appointment continues undischarged or such proceeding continues undischarged or unstayed for a period of thirty (30) or more days, or Borrower becomes unable to pay or admits in writing its inability to pay its debts as they become due.

Section 10.2. Non-Insolvency Default Remedies. Upon the occurrence of any Event of Default described in clauses (a) through (g) of Section 10.1, Lender or any permitted holder of the Notes may, by notice to Borrower, take any of the following actions:

(a) terminate any obligation to extend any further credit hereunder (including but not limited to Advances) on the date (which may be the date thereof) stated in such notice;

(b) declare all Advances and all indebtedness under the Notes then outstanding (including all outstanding principal and all accrued but unpaid interest), and all other Obligations of Borrower to Lender, to be immediately due and payable without further demand, presentment, protest or notice of any kind; and

(c) exercise and enforce any and all rights and remedies contained in any other Loan Document or otherwise available to Lender at law or in equity.
Section 10.3. Insolvency Default Remedies. Upon the occurrence of any Event of Default described in Section 10.1(h), all Advances and all indebtedness under any Note then outstanding (including all outstanding principal and all accrued but unpaid interest), and all other Obligations of Borrower to Lender, will immediately become due and payable without presentment, demand, protest or notice of any kind, and Lender shall have no obligation to extend any further credit hereunder (including but not limited to Advances).

Section 11. Miscellaneous.

Section 11.1. Holidays. If any payment hereunder becomes due and payable on a day which is not a Business Day, the due date of such payment will be extended to the next succeeding Business Day on which date such payment will be due and payable. In the case of any principal falling due on a day which is not a Business Day, interest on such principal amount will continue to accrue during such extension at the Applicable Rate, which accrued amount will be due and payable on the next scheduled date for the payment of interest.

Section 11.2. No Waiver, Cumulative Remedies. No delay or failure on the part of Lender or on the part of the holder of any Note in the exercise of any power or right will operate as a waiver thereof or as an acquiescence in any Default, nor will any single or partial exercise of any power or right preclude any other or further exercise thereof, or the exercise of any other power or right. All rights and remedies of Lender and the holder of any Note are cumulative to, and not exclusive of, any rights or remedies which any of them would otherwise have. Borrower agrees that in the event of any breach or threatened breach by Borrower of any covenant, obligation or other provision contained in this Agreement, Lender shall be entitled (in addition to any other remedy that may be available to Lender) to: (i) a decree or order of specific performance or mandamus to enforce the observance and performance of such covenant, obligation or other provision; and (ii) an injunction restraining such breach or threatened breach. Borrower further agrees that neither Lender nor any other person or entity shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 11, and Borrower irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

Section 11.3. Amendments, Etc. No amendment, modification, termination or waiver of any provision of this Agreement or any other Loan Document nor consent to any departure by Borrower therefrom, will in any event be effective unless the same is in writing and signed by Lender. No notice to or demand on Borrower in any case will entitle Borrower to any other or further notice or demand in similar or other circumstances.

Section 11.4. Costs and Expenses.

(a) Borrower shall pay all reasonable out-of-pocket expenses incurred by Lender in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) including, without limitation, the fees specified in Section 4.1.
(b) Borrower agrees to pay on demand all reasonable costs and expenses (including attorneys’ fees and expert witness fees), if any, incurred by Lender or any other holder of the Obligations in connection with any Event of Default or the enforcement of this Agreement, any other Loan Document or any other instrument or document to be delivered hereunder, including without limitation any action, suit or proceeding brought against Lender by any Person which arises out of the transactions contemplated hereby or out of any action or inaction by Lender hereunder or thereunder.

Section 11.5. Indemnity. Whether or not the transactions contemplated hereby shall be consummated, Borrower shall, to the extent permitted by law, indemnify, defend and hold harmless Lender and its officers, directors, employees, counsel, agents and attorneys-in-fact (each, an “Indemnified Person”) from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, charges, expenses or disbursements (including attorneys’ costs and expert witnesses’ fees), of any kind or nature whatsoever, that (a) arise from or relate in any way to the execution, delivery, enforcement, performance and administration of this Agreement and any other Loan Document, or the transactions contemplated hereby and thereby, and with respect to any investigation, litigation or proceeding (including any Winding-Up or appellate proceeding) related to this Agreement or the Advances or the use of the proceeds thereof, whether or not any Indemnified Person is a party thereto, and/or (b) may be incurred by or asserted against such Indemnified Person in connection with or arising out of any pending or threatened investigation, litigation or proceeding, or any action taken by any Person, arising out of or related to any Property of Borrower (all the foregoing, collectively, the “Indemnified Liabilities”); provided that Borrower shall have no obligation hereunder to any Indemnified Person with respect to Indemnified Liabilities to the extent arising from the gross negligence or willful misconduct of such Indemnified Person.

No action taken by legal counsel chosen by Lender in defending against any investigation, litigation or proceeding or requested remedial, removal or response action vitiates or in any way impairs Borrower’s obligation and duty hereunder to indemnify and hold harmless Lender unless such action involved gross negligence or willful misconduct. Neither Borrower nor any other Person is entitled to rely on any inspection, observation, or audit by Lender or its representatives or agents. Lender owes no duty of care to protect Borrower or any other Person against, or to inform Borrower or any other Person of, any adverse condition affecting any site or Property. Lender is not obligated to disclose to Borrower or any other Person any report or findings made as a result of, or in connection with, any inspection, observation or audit by Lender or its representatives or agents.

The obligations of Borrower in this Section 11.5 shall survive the payment and performance of all other Obligations. At the election of any Indemnified Person, Borrower shall defend such Indemnified Person using legal counsel satisfactory to such Indemnified Person in such Indemnified Person’s sole discretion, at the sole cost and expense of Borrower. All amounts owing under this Section 11.5 shall be paid within thirty (30) days after demand.

Section 11.6. Right of Set Off. To the extent permitted by applicable law, Lender reserves a right of setoff in all of Borrower’s accounts with Lender (whether checking, savings,
or some other account) other than the Lockbox Account. This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums due and owing from Borrower against any and all such accounts.

**Section 11.7. Survival of Representations.** All representations and warranties made herein or in certificates given pursuant hereto will survive the execution and delivery of this Agreement and the other Loan Documents, and will continue in full force and effect with respect to the date as of which they were made as long as any credit is in use or available hereunder.

**Section 11.8. Notices.** Except as otherwise specified herein, all notices hereunder will be in writing (including by hand, post, courier, email or telecopy) and will be given to the relevant party at its address, email address or telecopier number set forth below, or such other address or telecopier number as such party may hereafter specify by notice to the other given by certified or registered mail, by Federal Express or DHL, by telecopy or by other telecommunication device (including electronic mail) capable of creating a written record of such notice and its receipt. ASSIGNMENT OF DEPOSIT ACCOUNT

Grantor: Valley Clean Energy Alliance
23 Russell Blvd.
Davis, CA 95616

Lender: RIVER CITY BANK
Business Banking Group
2485 Natomas Park Drive
Sacramento, CA 95833

THIS ASSIGNMENT OF DEPOSIT ACCOUNT dated April ___, 2018 is made and executed among Valley Clean Energy Alliance ("Grantor") and RIVER CITY BANK ("Lender").

ASSIGNMENT. For valuable consideration, Grantor assigns and grants to Lender a security interest in the Collateral, including without limitation the deposit account(s) described below, to secure the Indebtedness and agrees that Lender shall have the rights stated in this Agreement with respect to the Collateral, in addition to all other rights which Lender may have by law.

COLLATERAL DESCRIPTION. The word "Collateral" means the following described deposit account(s) ("Account"): A deposit account from Grantor with Lender with reference number ________________, and all amendments, extensions, renewals, replacements of the accounts (all called the "Debt Service Reserve Account"), and all existing and future amounts in the Account, and all existing and future interest and other earnings on the Debt Service Reserve Account, and all proceeds. The Debt Service Reserve Account will at all times maintain the following minimum account balance:

Minimum Required Balance: $1,100,000.00

together with (A) all interest, whether now accrued or hereafter accruing; (B) all additional deposits hereafter made to the Account; (C) any and all proceeds from the Account; and (D) all renewals, replacements and substitutions for any of the foregoing.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Grantor's accounts with Lender (whether checking, savings, or some other account) other than the Lockbox Account (as defined in the Credit Agreement). This includes all accounts Grantor holds jointly with someone else and all accounts Grantor may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Grantor authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts.

GRANTOR'S REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE COLLATERAL. With respect to the Collateral, Grantor represents and promises to Lender that:

Ownership. Grantor is the lawful owner of the Collateral free and clear of all loans, liens, encumbrances, and claims except as disclosed to and accepted by Lender in writing.

Right to Grant Security Interest. Grantor has the full right, power, and authority to enter into this Agreement and to assign the Collateral to Lender.

No Prior Assignment. Grantor has not previously granted a security interest in the Collateral to any other creditor.

No Further Transfer. Grantor shall not sell, assign, encumber, or otherwise dispose of any of Grantor's rights in the Collateral except as provided in this Agreement.

No Defaults. There are no defaults relating to the Collateral, and there are no offsets or counterclaims to the same. Grantor will strictly and promptly do everything required of Grantor under the terms, conditions, promises, and agreements contained in or relating to the Collateral.

Proceeds. Any and all replacement or renewal certificates, instruments, or other benefits or proceeds related to the Collateral that are received by Grantor shall be held by Grantor in trust for Lender and immediately shall be delivered by Grantor to Lender to be held as part of the Collateral.
Validity; Binding Effect. This Agreement is binding upon Grantor and Grantor's successors and assigns and is legally enforceable in accordance with its terms.

Financing Statements. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Collateral. Grantor will pay all filing fees, title transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably appoints Lender to execute documents necessary to transfer title if there is a default. Lender may file a copy of this Agreement as a financing statement. Grantor will promptly notify Lender of any change to Grantor's name or its jurisdiction of organization.

LENDER'S RIGHTS AND OBLIGATIONS WITH RESPECT TO THE COLLATERAL. While this Agreement is in effect, Lender may retain the rights to possession of the Collateral, together with any and all evidence of the Collateral, such as certificates or passbooks. This Agreement will remain in effect until (a) there is no longer any Indebtedness owing to Lender; (b) all other obligations secured by this Agreement have been fulfilled; and (c) Grantor, in writing, has requested from Lender a release of this Agreement.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the applicable rate charged under the Note (as selected by Lender in its sole discretion) from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of such Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. This Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

LIMITATIONS ON OBLIGATIONS OF LENDER. Lender shall use ordinary reasonable care in the physical preservation and custody of any certificate or passbook for the Collateral but shall have no other obligation to protect the Collateral or its value. In particular, but without limitation, Lender shall have no responsibility (A) for the collection or protection of any income on the Collateral; (B) for the preservation of rights against issuers of the Collateral or against third persons; (C) for ascertaining any maturities, conversions, exchanges, offers, tenders, or similar matters relating to the Collateral; nor (D) for informing Grantor about any of the above, whether or not Lender has or is deemed to have knowledge of such matters.

DEFAULT. Any Default or Event of Default under the Credit Agreement shall constitute an Event of Default under this Agreement.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of an Event of Default, or at any time thereafter, Lender may exercise any one or more of the following rights and remedies, in addition to any rights or remedies that may be available at law, in equity, or otherwise:

Accelerate Indebtedness. Lender may declare all Indebtedness of Borrower to Lender immediately due and payable, without notice of any kind to Borrower or Grantor.

Application of Account Proceeds. Lender may take directly all funds in the Account and apply them to the Indebtedness. If the Account is subject to an early withdrawal penalty, that penalty shall be deducted from the Account before its application to the Indebtedness, whether the Account is with Lender or some other institution. Any excess funds remaining after application of the Account proceeds to the Indebtedness will be paid to Borrower or Grantor as the interests of Borrower or Grantor may appear. Borrower agrees, to the extent permitted by law, to pay any deficiency after application of the proceeds of the Account to the Indebtedness. Lender also shall have all the rights of a secured party under the California Uniform Commercial Code ("Code"), even if the Account is not otherwise subject to the Code concerning security interests, and the parties to this
Agreement agree that the provisions of the Code giving rights to a secured party shall nonetheless be a part of this Agreement.

**Transfer Title.** Lender may effect transfer of title upon sale of all or part of the Collateral. For this purpose, Grantor irrevocably appoints Lender as Grantor's attorney-in-fact to execute endorsements, assignments and instruments in the name of Grantor and each of them (if more than one) as shall be necessary or reasonable.

**Other Rights and Remedies.** Lender shall have and may exercise any or all of the rights and remedies of a secured creditor under the provisions of the Code, at law, in equity, or otherwise.

**Deficiency Judgment.** If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Agreement.

**Remedies Cumulative.** Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and any election by Lender to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

**MISCELLANEOUS PROVISIONS.** The following miscellaneous provisions are a part of this Agreement:

- **Amendments.** This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

- **Attorneys' Fees; Expenses.** Grantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Grantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's attorneys' fees and legal expenses whether or not there is a lawsuit, including attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Grantor also shall pay all court costs and such additional fees as may be directed by the court.

- **Caption Headings.** Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

- **Governing Law.** This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of California without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of California.

- **Choice of Venue.** If there is a lawsuit, Grantor agrees upon Lender's request to submit to the jurisdiction of the courts of Sacramento County, State of California.

- **Joint and Several Liability.** All obligations of Borrower and Grantor, if they are different, under this Agreement shall be joint and several, and all references to Grantor shall mean each and every Grantor, and all references to Borrower shall mean each and every Borrower. This means that each Borrower and Grantor signing below is responsible for all obligations in this Agreement.

- **Preference Payments.** Any monies Lender pays because of an asserted preference claim in Borrower's or Grantor's bankruptcy will become a part of the Indebtedness and, at Lender's option, shall be payable by Borrower and Grantor as provided in this Agreement.

- **No Waiver by Lender.** Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the
granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

**Notices.** Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other party, specifying that the purpose of the notice is to change the party's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors.

**Power of Attorney.** Grantor hereby appoints Lender as its true and lawful attorney-in-fact, irrevocably, with full power of substitution to do the following: (1) to demand, collect, receive, receipt for, sue and recover all sums of money or other property which may now or hereafter become due, owing or payable from the Collateral; (2) to execute, sign and endorse any and all claims, instruments, receipts, checks, drafts or warrants issued in payment for the Collateral; (3) to settle or compromise any and all claims arising under the Collateral, and in the place and stead of Grantor, to execute and deliver its release and settlement for the claim; and (4) to file any claim or claims or to take any action or institute or take part in any proceedings, either in its own name or in the name of Grantor, or otherwise, which in the discretion of Lender may seem to be necessary or advisable. This power is given as security for the Indebtedness, and the authority hereby conferred is and shall be irrevocable and shall remain in full force and effect until renounced by Lender.

**Waiver of Co-Obligor's Rights.** If more than one person is obligated for the Indebtedness, Grantor irrevocably waives, disclaims and relinquishes all claims against such other person which Grantor has or would otherwise have by virtue of payment of the Indebtedness or any part thereof, specifically including but not limited to all rights of indemnity, contribution or exoneration.

**Severability.** If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any person or circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other person or circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

**Successors and Assigns.** Subject to any limitations stated in this Agreement on transfer of Grantor's interest, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Collateral becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Agreement and the Indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Agreement or liability under the Indebtedness.

**Survival of Representations and Warranties.** All representations, warranties, and agreements made by Grantor in this Agreement shall survive the execution and delivery of this Agreement, shall be continuing in nature, and shall remain in full force and effect until such time as Borrower's Indebtedness shall be paid in full.

**Time is of the Essence.** Time is of the essence in the performance of this Agreement.

Unless specifically stated to the contrary, all references to dollar amounts shall mean amounts in lawful money of the United States of America. Form of Subordination Agreement

SUBORDINATION AGREEMENT

River City Bank (the “Lender”) and the other parties signatories hereto (each, a “Subordinated Creditor” and collectively, the “Subordinated Creditors”), agree, effective April ___, 2018, as follows:

Section 1.  Background and Purpose.

1.1 The Lender is making a loan to Valley Clean Energy Alliance, a public agency formed under the provisions of the Joint Exercise of Powers Act of the State of California, Government Code Section 6500 et. seq. (the “Obligor”), pursuant to that certain Credit Agreement dated as of the date hereof (as modified, amended, restated or replaced from time to time, the “Senior Loan Agreement”). The loan is evidenced by a Revolving Credit Promissory Note in the original principal balance of $11,000,000, and may be converted to a term loan evidenced by a Term Note (such notes are referred to herein individually and collectively as the “Senior Note”), as provided in the Senior Loan Agreement. The Obligor is currently indebted to the Subordinated Creditors as set forth on Schedule 1 attached hereto and incorporated herein (as the same may be amended, modified or refinanced, “Subordinated Debt”). The Lender and the Subordinated Creditors desire to enter into this Agreement to effectuate the subordination of the Subordinated Debt to the Senior Debt (as defined below). Capitalized terms used, but not otherwise defined, in this Subordination Agreement shall have the meanings ascribed to them in the Senior Loan Agreement.

Section 2.  Subordination.

2.1 Each Subordinated Creditor hereby irrevocably subordinates, in accordance with the terms hereof, the payment and performance of the Subordinated Debt by the Obligor to it, to the prior payment and performance in full of all of the obligations specified in the Senior Loan Agreement and the Senior Note (collectively, the “Senior Debt”). Each Subordinated Creditor acknowledges that it has been represented by counsel in connection with the transactions that are the subject of this Subordination Agreement. This Subordination Agreement shall be effective as to a Subordinated Creditor when such Subordinated Creditor signs this Subordination Agreement and execution by all Subordinated Creditors is not a condition to such effectiveness.

2.2 Under no circumstances will the Senior Debt be deemed to have been paid in full unless and until such time as, and when used in this Subordination Agreement with respect to the Senior Debt, the words “paid in full,” “payment in full,” and similar phrases shall mean that, the Lender has received payment, in immediately available funds, of 100% of all
outstanding Senior Debt, and all of the Lender’s obligations to extend credit under the Senior Loan Agreement have terminated.

2.3 The Subordinated Debt is subordinated in right of payment to the Senior Debt in accordance with this Agreement. Each Subordinated Creditor agrees to make appropriate entries in its books and records and stamp all Subordinated Debt documents evidencing the Subordinated Debt with the following legend:

“The indebtedness evidenced by this instrument is subordinated to the prior payment in full of the Senior Debt (as defined in the Subordination Agreement hereinafter referred to) pursuant to, and to the extent provided in, the Subordination Agreement effective as of April ___, 2018 by the maker hereof and payee named herein in favor of River City Bank.”

Section 3. Payments.

3.1 Until the payment in full of the Senior Debt, without the prior written consent of the Lender (which consent the Lender may refuse to give for any or no reason), under no circumstances will any Subordinated Creditor, directly or indirectly, take any action to enforce payment of or to collect the whole or any part of the Subordinated Debt or enforce any of the rights and remedies available to the Subordinated Creditor, other than in the manner and to the extent permitted by Section 4 hereof, or ask, demand, take or receive any collateral, mortgages or other security from the Obligor in respect of the Subordinated Debt. Any amounts paid by the Obligor to a Subordinated Creditor in violation of the terms of this Subordination Agreement shall be held by such Subordinated Creditor in trust and promptly paid over to the Lender for application to the Senior Debt in accordance with the Senior Loan Agreement.

3.2 Notwithstanding anything to the contrary contained in this Subordination Agreement, each Subordinated Creditor agrees that it will not, without the Lender’s prior written consent (which the Lender may refuse to give for any or no reason), directly or indirectly permit the modification or amendment of any of the terms or provisions, as they exist on the date hereof, of the note reflecting the Subordinated Debt (“Subordinated Note”), to the extent that any such modification or amendment would (a) result in any increase in the amount of the Subordinated Debt, (b) increase the amount, or accelerate the due date, of any payment or distribution in respect of the Subordinated Debt.

Section 4. Allowable Payments.

4.1 Subject to other applicable provisions of this Subordination Agreement, including, without limitation, those contained in Section 5 hereof, without the Lender’s prior written consent, the Obligor may not make, and a Subordinated Creditor may not accept from the Obligor, any payment in respect of the Subordinated Debt.

4.2 Notwithstanding anything to the contrary in this Subordination Agreement, the Obligor may set-off against amounts payable in respect of Subordinated Debt under the circumstances set forth or referenced in any documentation of such Subordinated Debt.
Section 5. Readjustment. Each Subordinated Creditor further agrees that, upon any distribution of the assets or readjustment of the indebtedness of the Obligor, whether by reason of liquidation, composition, bankruptcy, arrangement, receivership, assignment for the benefit of creditors, or any other action or proceeding involving the readjustment of all or any of the Subordinated Debt, or the application of the property of the Obligor to the payment or liquidation thereof, the Lender, in any such instance, shall be entitled to receive payment in full of the Senior Debt prior to the payment of all or any part of the Subordinated Debt.

Section 6. Bankruptcy Issues. To the extent that the Obligor makes a payment to the Lender, which payment(s) (or any part thereof) subsequently are voided, invalidated, declared to be fraudulent or preferential, set aside, or required to be repaid to a trustee, receiver, or any other person or entity pursuant to Chapter 11 of Title 11 of the United States Code (11 U.S.C. § 101 et seq.) (the “Bankruptcy Code”), any other bankruptcy act, state or federal law, common law or equitable cause (“Insolvency Law”), then, to the extent any such payment(s) or proceeds are repaid by the Lender, the Senior Debt (or the part that was intended to be satisfied) will be revived for all purposes of this Subordination Agreement and will continue in full force and effect, as if such payment or proceeds had not been received by the Lender.

Section 7. Waivers. Each Subordinated Creditor hereby waives until the Senior Debt is paid in full any and all rights at law or in equity to subrogation, reimbursement or set off or any other rights which such Subordinated Creditor may have or hereafter acquire against the Obligor in connection with or as a result of such Subordinated Creditor’s execution, delivery and/or performance of this Subordination Agreement.

Section 8. Attorney-In-Fact. Each Subordinated Creditor irrevocably appoints the Lender as its attorney-in-fact, with full power of substitution, in either the Lender’s name or such Subordinated Creditor’s name, to do the following (but the Lender shall have no obligation to do so): (a) endorse and collect all checks, drafts, other payment orders and instruments representing or included in, any payment, dividend or distribution relating to, the Subordinated Debt or any Collateral securing the Subordinated Debt; (b) take any action to enforce, collect or compromise any of the Subordinated Debt; (c) exercise any other right, remedy, privilege or option of such Subordinated Creditor pertaining to any Subordinated Debt or Subordinated Debt documents; (d) take any actions or institute any proceedings that the Lender determines to be necessary or appropriate to collect or preserve the Subordinated Debt or any Collateral for the Subordinated Debt; (e) execute in the name of or otherwise authenticate on behalf of such Subordinated Creditor any record reasonably believed necessary or appropriate by the Lender for compliance with laws, rules or regulations applicable to any Subordinated Debt or any Collateral for the Subordinated Debt, or in connection with exercising the Lender’s rights under this Agreement; and (f) execute and file claims, proofs of claim or other documents, and to take any other action regarding all or any part of the Subordinated Debt necessary or appropriate to insure payment to and receipt by the Lender of all payments, dividends and other distributions on account of the Subordinated Debt, instruments evidencing the Subordinated Debt, or any Collateral for the Subordinated Debt. This appointment is irrevocable and coupled with an interest and shall survive the dissolution or disability of such Subordinated Creditor. Notwithstanding the foregoing, the Lender shall not be liable to any Subordinated Creditor for any failure (i) to prove the existence, amount, or circumstances of the Subordinated Debt; (ii) to exercise any right
related to the Subordinated Debt; or (iii) to collect any sums payable on or distributions attributable to, the Subordinated Debt.

Section 9. Representations and Warranties. Each Subordinated Creditor represents and warrants to the Lender as follows: (a) the execution, delivery and performance of this Agreement and each of the Subordinated Debt documents now outstanding (true and complete copies of which have been furnished to the Lender) have been duly authorized by all necessary action, are within the power and authority of the Subordinated Creditor and do not and will not (i) contravene the articles, charter, bylaws, partnership agreement, operating agreement, regulations or other organic documents, if any, establishing or governing such Subordinated Creditor, any applicable law or governmental regulation or any contractual restriction binding on or affecting such Subordinated Creditor or any of their respective properties, (ii) result in or require the creation of any lien upon or with respect to any of such Subordinated Creditor’s properties or (iii) violate the rights of any person or entity; (b) this Agreement and each of the Subordinated Debt documents are legal, valid and binding obligations of such Subordinated Creditor, enforceable against such Subordinated Creditor in accordance with their respective terms except as limited by bankruptcy, insolvency or other laws of general application relating to the enforcement of creditors’ rights and by general equitable principles; (c) there exists no default, event of default, or event which with the passage of time, the giving of notice or both may result in a default or event of default under the Subordinated Debt or any Subordinated Debt documents or any event or occurrence that gives a Subordinated Creditor the right to terminate a commitment, refuse to make an advance, accelerate a maturity with or without notice or the passage of time; and (d) if such Subordinated Creditor is an entity, that entity is and will remain duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation, organization or formation and in good standing in the jurisdictions in which it is doing business. Each Subordinated Creditor further represents and warrants to the Lender as follows: (A) such Subordinated Creditor owns and holds the Subordinated Debt now outstanding free and clear of any lien that has not been disclosed in writing by such Subordinated Creditor to the Lender; (B) such Subordinated Creditor is now solvent, the execution, delivery and performance of this Agreement will benefit such Subordinated Creditor directly or indirectly and such Subordinated Creditor has and will receive fair and reasonably equivalent value for the obligations undertaken in this Agreement; (C) such Subordinated Creditor has (1) without reliance on the Lender or any information received from the Lender and based upon the documents and information such Subordinated Creditor deems appropriate, made an independent investigation of the transactions contemplated by this Agreement and the Borrower, the Borrower’s business, assets, operations, prospects and condition, financial or otherwise, and any circumstances that may bear upon those transactions, the Borrower or the obligations and risks undertaken in this Agreement with respect to the Senior Debt; (2) adequate means to obtain from the Borrower on a continuing basis information concerning the Senior Debt and the Lender has no duty to provide to such Subordinated Creditor any information; (3) full and complete access by and through the Borrower to the Lender’s loan documents; (4) not relied and will not rely upon any representations or warranties of the Lender not embodied in this Agreement or any acts taken by the Lender (including but not limited to any review by the Lender of the affairs of the Borrower) prior to or after the date of this Agreement; (D) such Subordinated Creditor is the sole holder of the Subordinated Debt with full power to make the subordinations set forth in this Agreement; and (E) such Subordinated Creditor has not made or permitted any assignment or transfer, as security or otherwise, of the Subordinated Debt, any Subordinated Debt documents or
of any of the Collateral securing the Subordinated Debt, and such Subordinated Creditor shall not do so except in favor of the Lender as long as this Agreement remains in effect.

Section 10. Successors and Assigns. This Subordination Agreement immediately shall be binding on each Subordinated Creditor and on its heirs, representatives and assigns, and shall inure to the benefit of the Lender and its successors and assigns. Whenever reference is made in this Subordination Agreement to the Obligor, such term shall include any successor or assign of the Obligor, including, without limitation, a receiver, trustee, or debtor or debtor-in-possession under the Bankruptcy Code.

Section 11. Notices. Any notice required or permitted hereunder shall be given in writing by personal delivery, by overnight delivery through a recognized courier service, by certified U.S. mail, or by telecopier (fax) (i) as to a Subordinated Creditor, by giving such notice to such Subordinated Creditor at the address set forth below such Subordinated Creditor’s signature hereon, and (ii) as to the Lender, by giving such notice to the Lender at the address set forth below its signature hereon. All such notices shall be deemed to have been received on the date given, except that any such notice given by overnight delivery will be deemed to have been received on the next business day after such notice was delivered to such a carrier for delivery, and any such notice given by certified U.S. mail will be deemed to have been received three days after such notice was deposited in the U.S. mails, postage prepaid.

Section 12. Governing Law. THIS SUBORDINATION AGREEMENT SHALL BE GOVERNED BY CALIFORNIA LAW (WITHOUT REGARD TO ANY JURISDICTION’S CONFLICT OF LAWS PRINCIPLES). EACH SUBORDINATED CREDITOR AND THE LENDER EACH WAIVES TRIAL BY JURY WITH RESPECT TO ANY ACTION, CLAIM, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS SUBORDINATION AGREEMENT. This is a “Subordination Agreement” within the meaning of Section 510(a) of the Bankruptcy Code and shall be interpreted and construed accordingly in any proceeding under the Bankruptcy Code.

Section 13. Counterparts. This Agreement may be executed in any number of counterparts with the same effect as if the parties had all signed the same document. All counterparts shall be construed together and shall constitute one agreement.
