

VALLEY CLEAN ENERGY ALLIANCE**Staff Report – Item 8**

TO: Board of Directors

FROM: Alisa Lembke, Board Clerk / Administrative Analyst

SUBJECT: Summary of Community Advisory Committee's (CAC) June 25, 2026 meeting

DATE: July 9, 2026

This report summarizes the Community Advisory Committee's meeting held in person and via Zoom webinar on Thursday, June 25, 2026.

Thursday, June 25, 2026 Meeting:

- A. **Receipt of Board Staff Reports:** the CAC received a copy of the Board's Summer Preparedness outlook slides presentation and the Staff Report on the annual Load Management Standards (LMS) update.

- B. **Receive and review draft Integrated Resource (IRP) Plan update and see recommendation to the Board. (Discussion/Action)** Staff provided highlights of the updates to the IRP Plan update. The CAC and Staff discussed items, such as: details of the Preferred Conforming Portfolio (PCP), Statewide resources, VCE's load, power purchases, and modeling. The CAC passed a motion recommending that the Board approve the submission to the CPUC of VCE's 2026 Integrated Resource Plan (IRP). (6-0-0)

The CAC's July 23, 2026 meeting has been cancelled and the CAC has a scheduled meeting for Thursday, August 27, 2026.
