Fall 2024

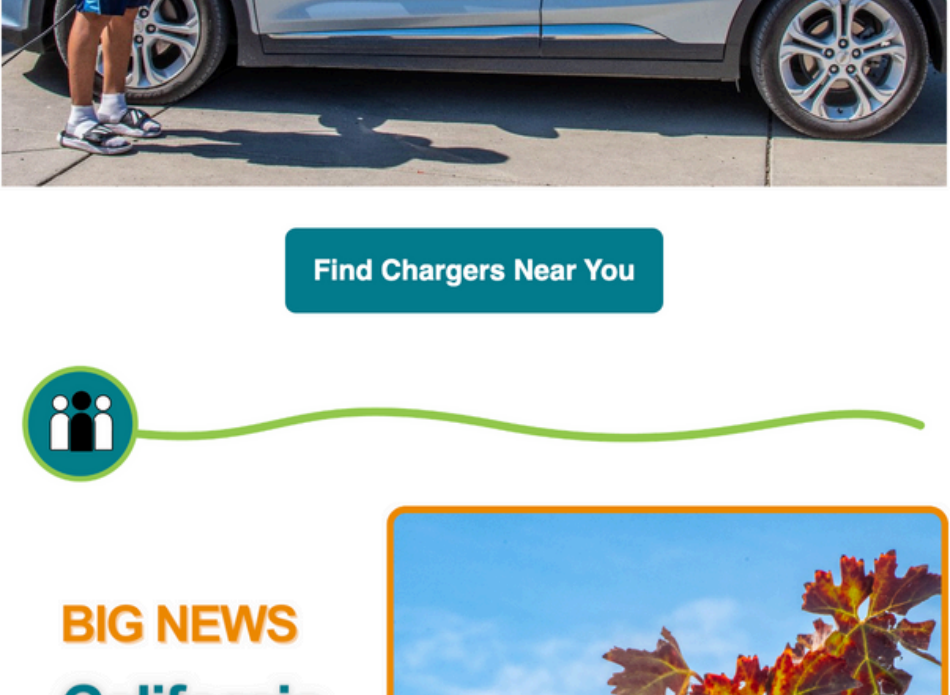

Join Our CAC | Electric Tractors | What We're Up To | OhmConnect

Beep, beep! It's National Drive Electric Week!

September 27th through October 6th is National Drive Electric Week (NDEW). It may not surprise you to learn that California has more EVs on the road than any other state. Did you also know that there are already dozens of public charging stations in Yolo County? And, many are fast chargers that will get you back on the road in 20-30 minutes. More appear every year. It won't take long before they outnumber gas stations!

Find Chargers Near You

BIG NEWS California Climate Credit is Here

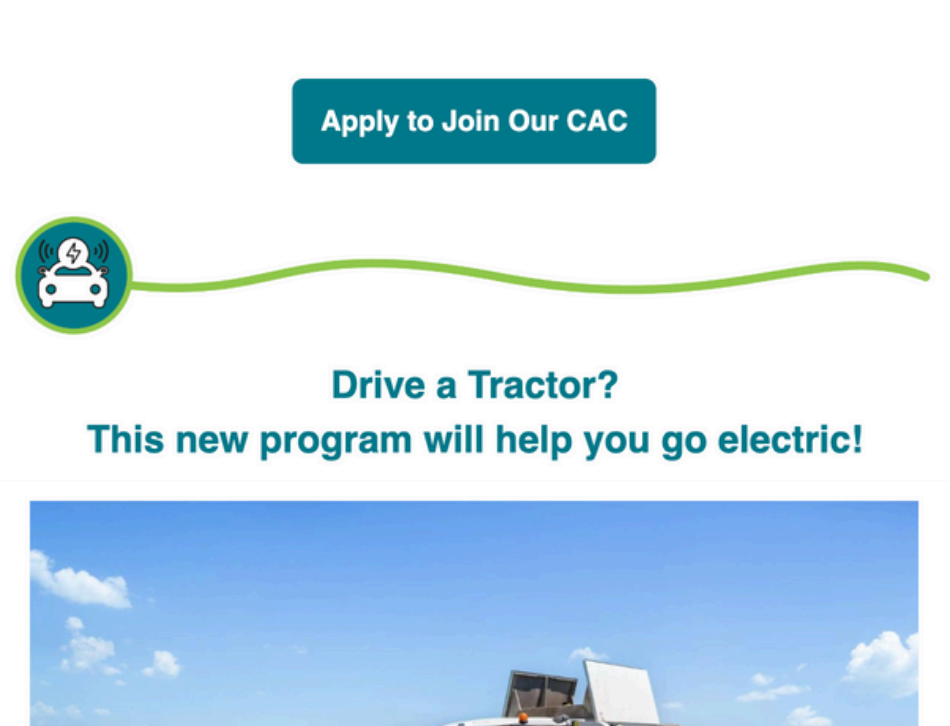

When you look over your October 2024 utility bill, you'll see a little bonus: The latest California Climate Credit of \$55 is coming your way — paid for by some of the state's leading contributors to global warming! Big corporate polluters purchase permits for their greenhouse gas emissions through California's Cap-and-Trade program. The program then shares the benefits with all of us in the form of cleaner air and a lower electricity bill!

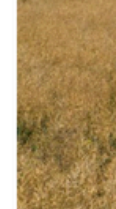

Join our Community Advisory Committee

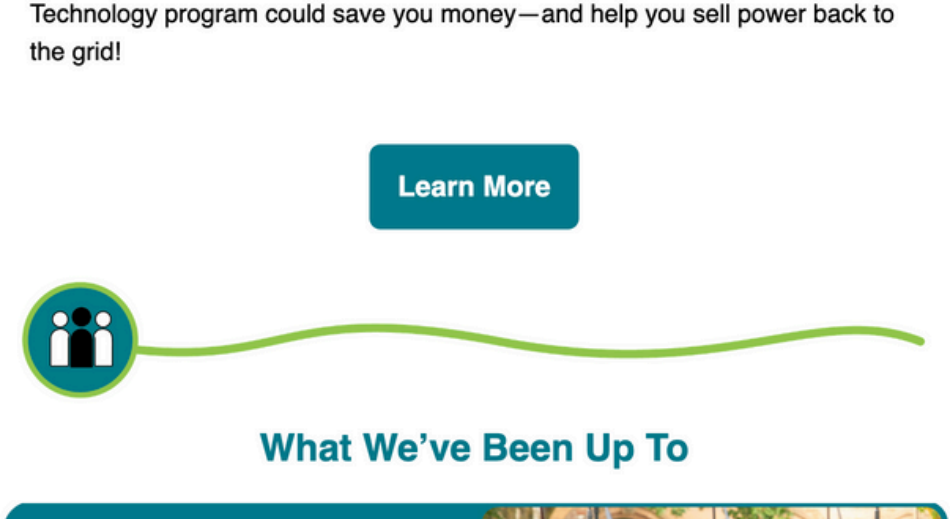

We're looking for a curious, committed person who lives in unincorporated Yolo County to join our Community Advisory Committee! As a CAC member, you'll meet with us once a month to represent your community and provide input to VCE's Board. We'd love to hear your ideas as we shape the future of green energy in our region.

Apply to Join Our CAC

Drive a Tractor? This new program will help you go electric!

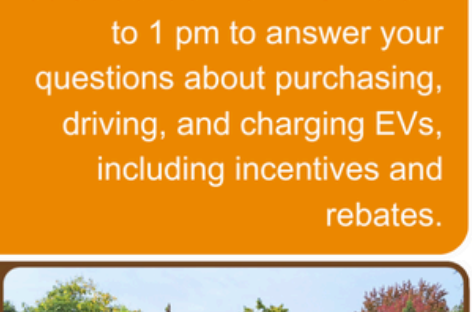

The California Energy Commission (CEC) just announced it will fund a multimillion-dollar, innovative project to help Yolo County farms install smart chargers for EV tractors. The new Rural Electrification and Charging Technology program could save you money—and help you sell power back to the grid!

What We've Been Up To

Winters Carnitas Festival
On Saturday, Sept. 28, VCE joins Winters Community Corazón in Rotary Park for the annual Festival de la Comunidad. We look forward to meeting community members, listening to the mariachi performances, and eating delicious carnitas!

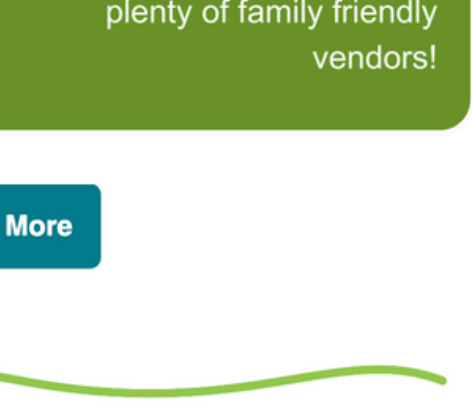

Davis Downtown Treat Trail
Witching all you Boos and Ghouls a Happy Halloween! Float on down to the Davis Downtown Treat Trail on Oct. 31 from 3 to 6pm, where we're joining other local businesses to hand out goodies and admire all your costumes!

National Drive Electric Week
VCE and Cool Davis are teaming up to talk about EVs at the Davis Farmers Market on Saturday, Sept. 28. We'll be at Central Park from 8 am to 1 pm to answer your questions about purchasing, driving, and charging EVs, including incentives and rebates.

Winters Salmon Festival
On Saturday, Nov. 2, VCE will attend the 7th Annual Winters Salmon Festival. Celebrate the return of the fall-run Chinook Salmon to Putah Creek with us! Enjoy live music, food trucks, and plenty of family friendly vendors!
